Celebrating Autism Acceptance Month & National Speech-Language-Hearing Month

April/May 2026

This reformatted digital sale resource was a labor of love for the amazing global AAC community. It was important that this resource be highly accessible so everyone who needs these supports can access them.

Thanks for your patience during the reformatting "journey" that was longer ...and bumpier than expected. 😊

A stylized signature of 'Lauren' in blue cursive script, positioned above a black silhouette of hands holding a heart.
