# ELEMENTAL TRANSMUTATIONS

## Elemental Transmutations

### Craft Epic Voxies Gear with NEW Elemental Transmutations!

Elemental Transmutation is now available in the Arcanist's Forge, allowing players to craft powerful gear and weapons tied to one of the game's nine elements! For a period of time, a specific element will be available for elemental transmutation, requiring 3 essences of the element and 30 VOXEL to craft a random rare, epic or legendary gear with the same element.

Elemental essences can be obtained as item rewards from winning in Draft and Extreme arenas, or by buying them from the Marketplace listed by other players. During the period of the featured element, all essences dropped as rewards will be the same as the featured element. The essences also feature a new design!

White Mage – Protection

Voxie Battle Bytes – White Mage Protection Spell Reduces ALL Incoming Damage!

Folks, to win games in Voxie Tactics, you can't just attack all the time. You gotta be strategic. For 50 mana, you can use White Mage's Protection move to shield your whole squad from physical and magical damage. Good tactical move for keeping squishy Voxies alive.

About The Author

**Moonscaper** here! I'm a Voxies and Voxie Tactics Items NFT holder and I've been a part of the Voxies community since June 2021.

I got curious on how much VOXEL I spent in total since the Forge release (Sept. 2022) up to May 31st, 2025: it's 11,827 VOXEL! Spent about 6k VOXEL in 2023 opening Dragonfest chests and Jack-o-Lanterns. My wallet is also the 47th highest spender in the Forge. But my total is peanuts compared to the highest spender wallet: 232,921 VOXEL!
