THE FANCY DOODLE
• PAPERIE •

Hello. I'm Leanne, designer at The Fancy Doodle, in Los Angeles. I sprinkle a love of animals into delightful greeting card designs.

*What an honor to have you consider our products for your shop.
I hope the sentiments resonate with your customers,
to celebrate life's special moments.*

Warmly,
Leanne Southall

My mission is to **enhance the human animal bond through products**, because I believe this *inspires compassion for all animals*. Many designs are inspired by my rich involvement with animals rescues in Los Angeles, as well as by the many wondrous creatures of our world! Every order at The Fancy Doodle donates one pound of food to rescue animals in need.
