

# Dance

Brentwood School, recognising the diverse interests of its day and boarding students, integrated dance into its curriculum in 2015. Since its introduction, dance has evolved into a cornerstone of our academic offering, extending across all key stages, including GCSE, A Level, and IB Dance.

For students in Years 7 and 8, dance is a compulsory subject, ensuring every student gains exposure to this expressive art form. As they progress into Year 9 and beyond, dance becomes an elective option, available at Key Stages 4 and 5, providing boarders with the flexibility to delve deeper into their passion for dance. Additionally, we offer numerous co-curricular dance activities, open to all students, including boarders, enriching their experience beyond the classroom.

## Brentwood Dance Academy

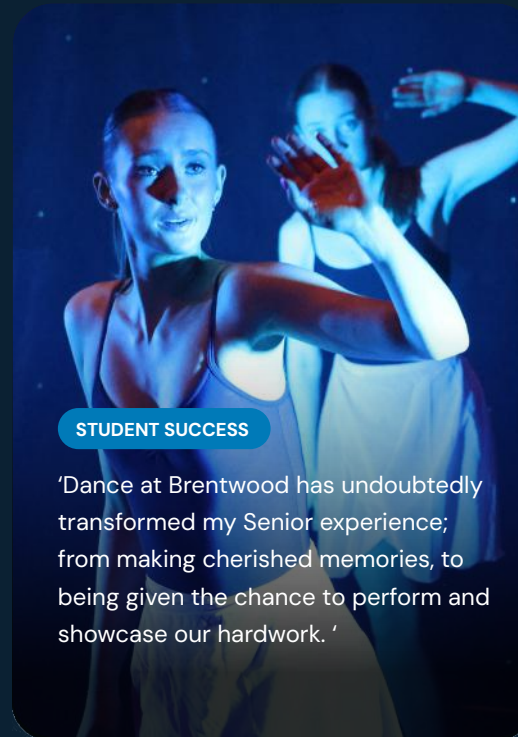

The Brentwood School Dance Academy is the School's flagship dance school that allows keen students to develop in a range of styles as well as participate in many high-profile and quality performance opportunities. The Dance Academy runs after school on Wednesdays and Thursdays.

Brentwood School

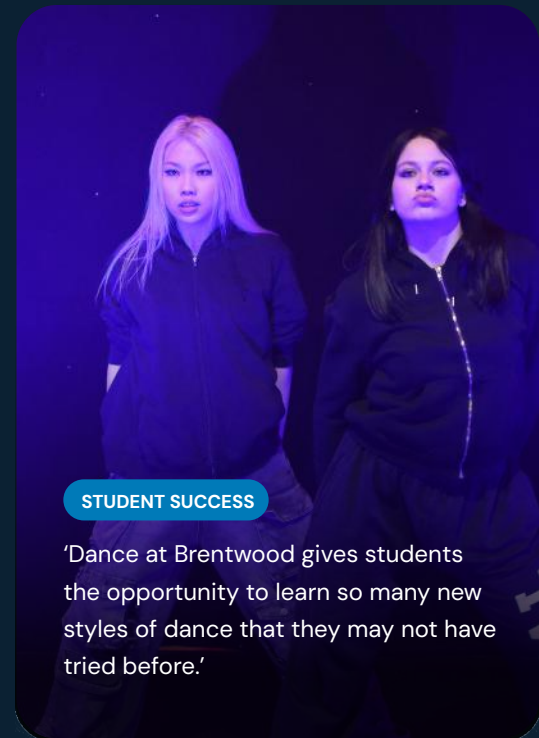

My son and daughter are privileged to be part of such an inspiring community, and dance will always be one of the best opportunities they have had in their lives.

Mrs D Rashkova, Parent

### STUDENT SUCCESS

'Dance at Brentwood has undoubtedly transformed my Senior experience; from making cherished memories, to being given the chance to perform and showcase our hardwork.'

### STUDENT SUCCESS

'Dance at Brentwood gives students the opportunity to learn so many new styles of dance that they may not have tried before.'

“

As a dancer and a boarding student, my experience at Brentwood has brought me closer to my passion than ever before.
