Dear Friends,

On behalf of the National Urban League, it is my distinguished pleasure to welcome you to the Urban League of Palm Beach County's (ULPBC) 50th Anniversary Equal Opportunity Day Awards Gala.

The Urban League of Palm Beach County is recognized as one of the top five affiliates throughout the Urban League Movement. For the past 50 years, the ULPBC has been at the forefront of advocating for social and economic equality. The affiliate provides free Youth Education, Comprehensive Housing Counseling, and Workforce Development programming to empower underserved individuals and families to become economically self-sufficient.

The National Urban League is an organization with a 113-year history of advocating for economic empowerment, equality, and social justice for African Americans and other historically underserved groups. With 90 affiliates, serving 300 communities across 36 states and the District of Columbia, the Urban League spearheads the development of social programs and authoritative public policy research and advocates for policies and services that close the equality gap. At the community level, the National Urban League and its affiliates provide direct services that improve the lives of more than two million people annually.

It is also my honor to congratulate three formidable community and youth leaders, for their significant investment in a diverse community, and their dedication to making Palm Beach County a better place to live for all families.

More importantly, I want to recognize and thank Patrick Franklin, President and CEO, of ULPBC, for 21 years of outstanding service, bringing stability, growth, and leadership to a high-performing affiliate in the State of Florida. A big thank you to the ULPBC BOD, ULPBC Staff and Foundation Board of Directors, corporate partners, funders, dignitaries, and all invited guests.

I encourage you all here this evening, to continue to support the Urban League of Palm Beach County with your time, and treasure, to assist the ULPBC to accomplish its mission of helping African Americans and other minorities in the achievement of social and economic equality.

With warmest regards,

~

are

Marc H. Morial President and Chief Executive Officer National Urban League

Congratulations to everyone at the Urban League of Palm Beach County for 50 years of great service to our community!

LETTER FROM THE BOARD OF DIRECTOR'S CHAIRMAN AND PRESIDENT & CEO

The Urban League of Palm Beach County is proud to welcome you to our 50th Anniversary Equal Opportunity Day Awards Gala. We applied your presence and all of the support extended to us over the years.

Tonight, we celebrate 50 years of service to residents in Palm Beach and surrounding counties! We remember those pioneers who stood up in 1971 and expressed the need for an Urban League to be created here in West Palm Beach. We honor those men and women who pushed forward to obtain the charter for the Urban League of Palm Beach County in 1973.

We stand on the shoulders of Percy H. Lee, Judge Edward Rodgers, Louise Buie, William Dwyer, Robert Moultrie, Cartheda Stubbs, Michael and Winsome McIntosh and so many others who built the foundation upon which we stand.

Winsome McIntosh is our recipient of the 21st Annual Lifetime Achievement Award. Tonight, we reflect upon her and her late husband's many contributions to the communities of Palm Beach County and throughout the United States as philanthropists and concerned citizens.

We honor Mayor Keith James, City of West Palm Beach, with the Trailblazer Award. Mayor James follows a long and illustrious list of local community leaders who have worked hard to demonstrate leadership and direction for so many in need.

We honor Precious Clark with the Youth Achievement Award. Ms. Clark has demonstrated her academic and community service skills over her high school years. We wish Precious great success in her next higher education endeavor.

Thanks again for believing in and supporting the Urban League of Palm Beach County's mission to assist African Americans and other minorities in the achievement of social and economic equality.
