Dear Friends,

On behalf of the Area Agency on Aging of Broward County (AAABC) Board of Directors, Advisory Council, and team, I would like to welcome you to our Annual Fashion Show & Luncheon! Thank you for your support of the AAABC and the older adults we serve.

In the spirit of our luncheon theme “Have a Heart” we thank you for opening your hearts and sharing your time and financial support with us today. We appreciate your caring and commitment to help us provide services and support to the most vulnerable older adults in our community.

This year is a time of change and changes of which we do not know the impact. It is even more important than ever that we join together to ensure the safety net for our seniors is strong and remains in place in our community.

Seniors can often be over looked and their contribution to our community is not seen. They have spent many years contributing to their families, friends and overall community and deserve to have the support they need when they enter their later years of life. Their years of giving is immeasurable. They are former teachers, firemen, police officers, business owners, nurses and more and in their retirement continue to serve our communities.

The services we provide through the Area Agency on Aging network are critical to assisting older adults in maintaining their independence in their homes and avoiding premature institutionalization. We are honored to support these treasured individuals.

Have fun today and enjoy this wonderful fashion show, which was generously provided by Macy's. Thank you to our fun-loving models for strutting their stuff down the runway! Thank you to our generous sponsors and donors for showing compassion and support for Broward's senior population.

Sincerely,

A handwritten signature in black ink that reads "Charlotte C. Mather-Taylor".

“DON'T TELL THE KIDS”

THEY'D FLIP IF THEY KNEW HOW MUCH FUN
WE HAVE AT THE VOLEN CENTER!

When you get to be our age, sometimes you just need to get away from bossy kids and caregivers, and just do your thing. Like hanging out with friends your own age. Playing cards and games, doing crafts and activities, and having parties and dances. You know...senior stuff.

Now don't get me wrong. I love my kids. But now that they are middle-aged, they're just so serious. There's NO WAY that they'd ever approve of a place like The Volen Center.

Together we make community happen.
