Scissors Lifts

Discover our versatile scissor lifts, offering electric, diesel and self-levelling options. Reach working heights from 6 to 11.75 meters with narrow access and rough terrain options, perfect for both indoor and outdoor tasks.

	Max Working Height	Fuel
Genie 1932	7.6m	Electric
Genie 2632	9.8m	Electric
Genie 3246	11.6m	Electric
Genie 3268RT	11.75m	Diesel
Sunward 0607	6.5m	Electric
Sunward 0807	8.0m	Electric

Telescopic Boom Lifts

Telescopic boom lifts offer unparalleled reach and efficiency with heights up to 15.7 meters. Perfect for limited access areas, they ensure maximum operational accessibility and productivity.

	Max Working Height	Fuel
Genie S - 45	15.7m	Diesel

Articulated Boom Lifts

Experience ultimate convenience with our articulated boom lifts, offering up to 20 meters working height and over 11 meters outreach. Choose from electric, diesel, bi-fuel, and 4x4 models, perfect for various work environments.

	Max Working Height	Max. Outreach	Fuel
Nifty HR-12	12.2m	6.1m	Electric / Diesel
Genie Z-45	15.9m	7.64m	Diesel
Genie Z-60	20.1m	11.1m	Diesel
Sunward SWA16JE	15.8m	7.74m	Electric

Vertical Mast Lift

Agile and robust STAR vertical masts feature AC motors for proportionality and torque. Ideal for congested sites, STAR10 offers 3-meter outreach and zero tail swing making it ideal for busy or congested work areas

	Max Working Height	Max. Outreach
Haulotte Star 10	10.0m	3.0m

Forklifts & Pallet Trucks

Discover our comprehensive range of material handling and lifting equipment featuring electric forklifts, pallet trucks, powerful Engine Cranes, and Material Lifts capable of lifting up to 3 ton

	Max. Height	Max. Load
Yofitech Pallet Truck	1.05m	1500 Kg
Yofitech 30e Forklift	4.5m	3000 Kg

Micro - Excavators (up to 2 Ton)

Efficient and compact, our micro excavators deliver exceptional performance in tight spaces, ensuring precision and power for all your excavation needs. Ideal for urban projects.

Excavators supplied with 3 buckets as standard
Rock Breaker & Lawn rake available for certain models

	Machine Weight	Max. Width
Takeuchi TB210r	1 Ton	0.75 m
Takeuchi TB216	1.6 Ton	0.98 m
Takeuchi TB217r	1.7 Ton	0.98 m

Mini - Excavators (2 - 6 Ton)

Explore our fleet of compact mini excavators, ranging from 2 to 6 tons. Perfect for precision digging and efficient operation in tight spaces.

Excavators supplied with 3 buckets as standard
Rock Breakers, Lawn rake, Mulcher and Grab available on request

	Machine Weight	Max. Width
Takeuchi TB325r	2.5 Ton	1.5 m
Takeuchi TB230	3 Ton	1.45 m
Takeuchi TB335r	3.8 Ton	1.74 m
Takeuchi TB260	6 Ton	2.0 m

Site Dumpers (1 - 6 Ton)

From 1-ton narrow access models to robust 6-ton wheeled versions, our range of dumpers offers an ideal solution to your construction and landscaping needs.

	Max. Load	Max. Width	Dumper Type
HT1000 Slanetrac	1 Ton	0.75m	Track
Terex TA1EH (Hi-Tip)	1 Ton	1.12m	Wheel
Terex TA3SH	3 Ton	1.85m	Wheel
Thwaites (swivel)	6 Ton	2.24m	Wheel

Tandem Rollers

Tandem rollers are perfect for road repairs, footpaths and finishing in construction. Highly regarded for exceptional performance in landscaping projects with a 1200mm roller width

Diesel rollers can be supplied utilising hydrotreated vegetable oil (HVO), a biofuel made from waste that reduces CO2 emissions by up to 90%. Talk to us for more information

Teleporters

Our 14-meter telehandlers are ideal for your construction or industrial projects. Designed for heavy lifting, extended reach, and versatility, our machines ensure efficiency and safety on-site. Reliable, powerful, and easy-to-operate.

Towable Plant

Experience unmatched convenience with our towable 4 Ton Concrete Mixer and 40 Ton Log Splitter. Easily transport and operate the equipment wherever your project demands.

Material Handling & Platforms

Discover our comprehensive range of material handling and lifting equipment including material lifts, heavy duty chain blocks and powerful engine cranes. We also stock narrow and full width scaffolding towers and access platforms

2 man kerb lifter
Tundra 1 Ton Engine Crane
2 Ton Block and Tackle
Summer 5.8m 300 Kg Material Lift
Narrow / Full width Scaffolding Towers

Lighting and Power Generation

Reliable lighting towers, transformers and generators (Up to 60 kVA) available for a variety of needs. Perfect for construction, outdoor events and emergencies. High performance, easy setup, and flexible rates.

Diesel generators (From 10 - 60 kVA)
3.4 kVA Petrol Generator
Lighting Towers
Tripod LED Lighting (110v)
Welder/Generator

Traffic & Site Management

Achieve safety with our top-quality pedestrian barriers, robust cable protection ramps, and effective signage. Trust our equipment for smooth traffic control and crowd management.

Traffic Barriers
Cable Protection Ramps
Towable LED Traffic Signs

Cleaning & Maintenance

Tackle heavy-duty cleaning projects fast. Choose from a range of industrial / semi-industrial pressure washers, and radial surface cleaners to suit a variety of surfaces.

BE 24" Whirlaway Surface Cleaner
Westermann Radial Sweeper
Maxflow Industrial Pressure Washers
Predator Industrial wet/dry vacuum

Landscaping & Garden

Tackle any garden project with ease! Rent rotovators, tillers, stone rakes, log splitters, leaf blowers, hedge trimmers & strimmers to suit both the professional and garden enthusiast alike.

Loncin 75cm Rotovator / Cultivator
Blec Pedestrian Stone Rake
Barreto 13hp Hydraulic Rotovator
Oleo Mac BV250 Leaf blower
Oleo Mac HC246 hedge trimmer
Tanaka TBC240 Hedge Trimmer
40 Ton Towable Log Splitter
Pedestrian Lawn Roller

Heating, Drying & Cooling

Choose from our range of efficient electric and robust diesel heaters, as well as powerful dehumidifiers. Perfect solutions for any job, large or small. Reliable, cost-effective, and ready to go! (110 and 220v options)

Rhino Fume Extractor Kit
Draper JetForce Space Heaters (Diesel)
Broughton Electric Fan Heaters
Broughton Electric Infrared Heater (110V)
Rhino Electric Infrared Cabinet Heater
EIP Industrial Dehumidifier
24" Electric Fan

Breaking, Drilling & Cutting

Powerful performance with our top-tier drilling, breaking, and cutting equipment. Hire now for unmatched efficiency and precision in every job!

Makita 110v Demolition Hammer
JCB Beaver Pack and HM25 Breaker
Eibenstock Core Drill and Set
Bosch 845D Pro Rotary Hammer
Bosch GSH 5 CE Demolition Hammer
Milwaukee-545S Combi Breaking hammer
12" / 14" Consaw

Concrete & Compaction

Precision and efficiency in your construction projects is simple with our heavy-duty concrete and compaction tools. Superior performance and flawless results!

Altrad Belle Miiinmix 150 Mixer
Altrad Belle Wacker Plate
Neuson Forward / Reverse Wacker
4 Ton Towable Concrete Mixer
Handheld Concrete Pokers
Fresno Bull Floats
Concrete Screeds
6 meter Aluminium Screed

Pumps

Boost construction efficiency with our submersible and petrol-powered water pumps. Reliable, powerful, and perfect for heavy-duty tasks.

Loncin 3" Water Pump
Tsurumi Submersible Pump

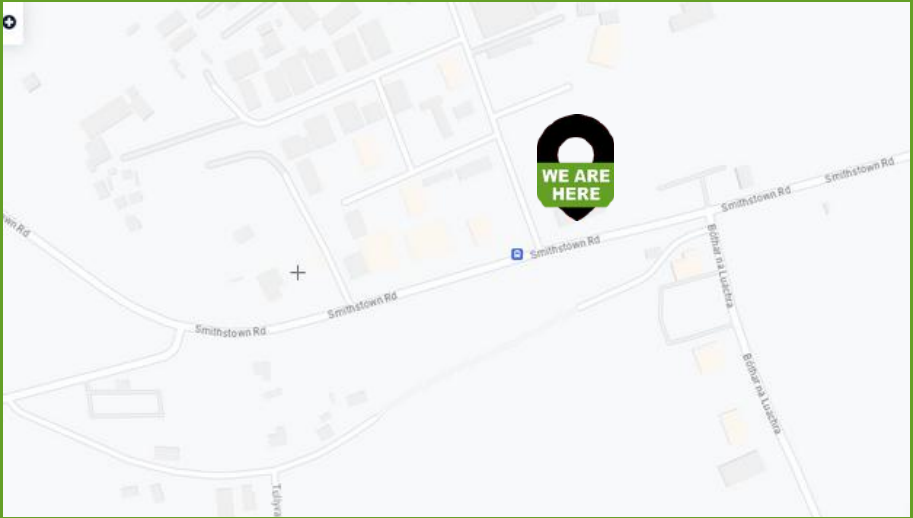

Measurement & Detection

Improve accuracy, save time, and reduce the risk of errors or damage, with our range of measurement and detection tools.

Topcon RL-H5A Self Levelling Rotary Laser
Topcon RL-H4C Self Levelling Laser DB Kit
Topcon TP-LS Pipe Laser
CAT4+ Cable Detector & Genny
Cobra Reel (various length / diameter)
CAT Scanner
