

WHATEVER IT TAKES®

A man in a grey t-shirt and black shorts is performing a hurdle drill in a gym. He is stepping over a series of yellow hurdles on the floor. In the background, there is a rack of dumbbells and a rack of barbells. The gym has a dark floor and walls, with a red curved structure on the left side. The text is positioned in the upper right corner of the image.

Based in Kaatsheuvel, The Netherlands,
TKO® Europe BV produces affordable premium
strength training and performance equipment for
the commercial fitness market. TKO® products are
found in professional sports facilities, colleges, high
schools, military and health clubs. Designed with
durability, simplicity and functionality in mind, TKO®
products empower and inspire each user. Build your
facility with TKO® and watch your athletes
EXCEL TO THE NEXT LEVEL.

A woman with dark hair in a ponytail, wearing a black tank top, is shown in profile, looking back over her shoulder while using a suspension trainer. The background is a gym with various equipment, including a rack with medicine balls. One medicine ball is clearly visible with the 'TKO' logo and '12LB' text.

WHY CHOOSE TKO® FRAMES?

Our modular frames not only provide optimal storage solutions for all types of training equipment — like medicine balls, kettlebells, dumbbells, and mats—but also feature a unique suspension capability perfect for functional training. The innovative 3-Way Swivel System allows effortless mounting of various suspension trainers or heavy bags, ideal for both individual and group training in one seamless space.
