HOW TO PREPARE FOR TRASH COLLECTION

Everyone must adhere to the following guidelines for curbside collection:

- All materials for collection **must be placed at the curb by 7:00 a.m.** on your collection day
- All household trash must be bagged and placed within the 96-gallon maroon trash cart with the lid closed. No materials may be sticking out of the cart
- Do NOT place any recyclables inside the maroon trash cart
- The following items **will not be accepted** for trash collection: dirt, sod, rock, concrete, construction/demolition debris, household hazardous waste, hot ashes, or flammable materials, such as oil, gas, or paint.

EXCESS HOUSEHOLD TRASH

The Town has contracted with Boston Carting Services, LLC. and WasteZero to provide an option for Dedham residents to dispose of excess household trash. Trash that does not fit into the cart can be placed in official overflow bags.

Official overflow bags (30-gallon yellow bags with the Town seal) can be used to dispose of excess household trash ONLY. Official overflow bags are available for purchase at the following local retailers for \$2.00/bag in sleeves of five:

- Star Market - 795 Providence Highway
- Stop & Shop - 160 Providence Highway
- Terri's Market - 12 Louise Road

CARTS

Each household is limited to ONE trash cart and ONE recycling cart. Please use overflow bags for excess household trash.

If your cart is damaged, please call Boston Carting Services at 1-800-338-3867.

YARD WASTE

There are a total of 22 weeks of curbside yard waste collection in 2024, offered seasonally, to assist residents with disposal of leaves and brush, as outlined below. Curbside yard waste collection is provided on a bi-weekly basis, on your regular recycling day, unless otherwise noted.

The 2024 schedule, shown on the next page, has been specifically designed to prioritize collections during the months when yard waste collection is typically at its heaviest (Spring and Fall).

Accepted Items and Guidelines:

The following materials will be accepted for disposal as yard waste:

- Leaves, grass and other easily raked material
- Branches and small brush less than 3-inches in diameter and cut into 3-foot lengths, bundled and tied (not to exceed 60 lbs.)
 - Branches larger than 3-in diameter and 3-ft in length will NOT be accepted.

All yard waste **MUST** be separated from household trash and recycling at the curb in open barrels or biodegradable yard waste bags. Plastic bags containing yard waste will **NOT** be collected.

HOLIDAY SCHEDULE

When an observed holiday falls on a normal collection day, collections will be delayed by one day for the rest of the week. The following holidays in 2024 will result in delayed collections:

- Jan. 1, 2024: New Year's Day
- Jan. 15, 2024: Martin Luther King Jr. Day
- Feb. 19, 2024: Presidents' Day
- Apr. 15, 2024: Patriots' Day
- May 27, 2024: Memorial Day
- July 4, 2024: Independence Day
- Sept. 2, 2024: Labor Day
- Oct. 14, 2024: Columbus Day
- Nov. 11, 2024: Veterans Day
- Nov. 28, 2024: Thanksgiving Day
- Dec. 25, 2024: Christmas Day

EXCESS RECYCLING COLLECTION - TWO WEEKS

Additional recycling will be collected on your regular recycling day during the week of December 23 (Maroon) and December 30 (Gray).

For these two weeks ONLY, cardboard, paper, and other recyclables will be picked up outside of your carts. Recyclables can be put in open barrels, paper bags, or boxes to accommodate the overflow from the holidays.

CHRISTMAS TREE DISPOSAL

The DPW will collect Christmas trees beginning in January. Please put Christmas trees curbside and **remove all decorations, lights, and plastic**. Collection may be delayed due to weather conditions and will continue until all trees placed at the curb have been collected.
