

LEARN 2050 - CPD Programme

Born to Learn - a space to really talk about learning

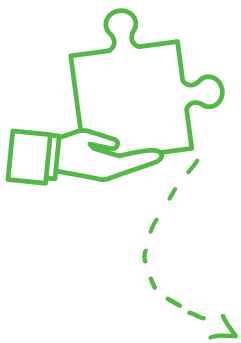

A CPD programme that refreshes our views of the transformative power of learning.

WHY NOW?

A proactive response to > falling attendance > learner disconnection > additional provision.

..... ***Igniting a lifelong passion to learn is critical.***

OUR RESPONSE

- ✓ **An affordable format** that is easy to use and adaptable to your school priorities with add-on options as you progress.
- ✓ **Engaging, relevant and fun content** to connect you with your passion for learning and its power of transformation.
- ✓ **A year on year model** that allows you to embed national and international sustainability goals by boosting lifelong learning capabilities to navigate change.

A Programme of *Change Over Time*

BRONZE

Sparks learning conversations, providing a foundational platform for growth

SILVER

Advances learner capabilities by deepening knowledge, skills, and strategies

GOLD

Champions learning in the community, supporting your school to be a hub for local transformation

Designed to address recognised assessment criteria e.g. Ofsted

This **3-tiered programme is designed to strengthen the value of learning** in primary, secondary and continuing education spaces by addressing fundamental questions:

- ✓ **Curriculum and Teaching**
How connected are learners to the curriculum?
- ✓ **Personal Development and Well Being**
How are learner experiences boosted over time?
- ✓ **Attendance and Behaviour**
How motivated, resilient and confident are learners?
- ✓ **Inclusion and Achievement**
How are all learners enabled to thrive?
