DUBOIS 2025 WRAP UP

As the year draws to a close and the festive season is upon us, we would like to take a moment to reflect and thank the people who have helped us meet milestones and reach our goals for 2025.

In a year marked by growth, innovation, and expansion across multiple industries and product lines, our staff have remained the steady heartbeat of our business. Their resilience, focus, and unwavering commitment to delivering exceptional service has shaped this year's success. While we've worked to enhance and evolve our product lines, our team has continued to show up with dedication and drive to ensure our customers receive the quality and care they've come to expect. Whether navigating new challenges or embracing exciting opportunities, they've done it all with professionalism and purpose. We're sending our sincere thanks to everyone in our team across all of our locations.

To our Distributors, we couldn't have done it without you! We're proud to have you all as an extension of our business. We're also very grateful for your support, loyalty, feedback, and

partnership this year. Seeing new and refurbished carwash sites popping up over the country demonstrates the tiresome work you deliver to customers across the country and is a testament to your dedication in growing and supporting the carwash industry.

We would also like to thank everyone that contributes to the Australian Car Wash Association. Our industry would not be what it is without the team at ACWA and the dedicated industry board members. You only have to attend a state meeting to see that their slick operation exists only to support and guide the success of our industry. The Rinse! event held in Melbourne this year was a great opportunity for us all to come together and share our challenges and stories of achievement. We look forward to seeing what The Car Wash Show brings to Adelaide in October 2026.

Looking ahead to 2026, we're filled with excitement and optimism. New opportunities await, and we're committed to continuing our mission with even more passion and purpose.

From all of us at DuBois, we wish you a joyful holiday season and a bright, successful new year.
