**NATURAL AND SPECIES-APPROPRIATE
HIGH QUALITY DOG FOOD**

NATURAL AND SPECIES-APPROPRIATE HIGH QUALITY DOG FOOD

ONCE DEVELOPED FOR PERFORMANCE-ORIENTED SLEDGE DOGS, THE BRAND FLEISCHESLUST SOON BECAME A PIONEER FOR HEALTHY AND VITAL DOG POWER. THE RECIPE FOR SUCCESS: LOTS OF FRESH MEAT AND HEALTHY VEGETABLES, MAINLY FROM REGIONAL FARMS, WITHOUT ARTIFICIAL FLAVOURINGS AND PRESERVATIVES.

PURE NATURE - NOTHING ELSE IN OUR BOWL!

Our products are perfectly adapted to the individual needs of dogs - respecting age, activity level and state of health. Whether complete food menus or snacks: our range consists of 100 percent natural, fresh and carefully selected raw materials in premium quality.

ONLY THE BEST

When it comes to nutrition for our beloved dogs, only the best is good enough for us. That's why we have taken nature as a model for the development of our products. It simply provides everything dogs need for a species-appropriate, wholesome and healthy diet.

THE RIGHT MENU FOR EVERY FOUR-LEGGED FRIEND

FLEISCHESLUST offer a diverse range of menus. Our carefully selected complete classic food menus are available in eleven different menus including hypoallergenic and sensitive options. We also offer our complementary pure meat Steakhouse range; gently preserved high quality protein meat, without artificial flavours and additives - ideal for personalised nutrition for dogs, especially those with allergies and intolerances.

WHAT MAKES US SPECIAL

- Many years of expertise in the development and production of species-appropriate and high-quality dog food
- Development of recipes with specialised veterinarians
- Premium quality raw materials
- High-quality and natural ingredients

100% NATURAL INGREDIENTS 100% PREMIUM QUALITY

FLEISCHESLUST STANDS FOR SPECIES-APPROPRIATE DOG FOOD. COMPLETELY NEEDS-ORIENTED AND DEVELOPED TO FIT THE NATURAL NUTRITIONAL REQUIREMENTS FOR THE VITALITY OF DOGS. QUALITY IS ALWAYS OUR TOP PRIORITY.

HIGH QUALITY MEAT

We source meat and innards from carefully inspected farms. In order to preserve the maximum freshness, we rely on short transport routes to our production facility.

CRISPY FRESH FRUIT & VEGETABLES

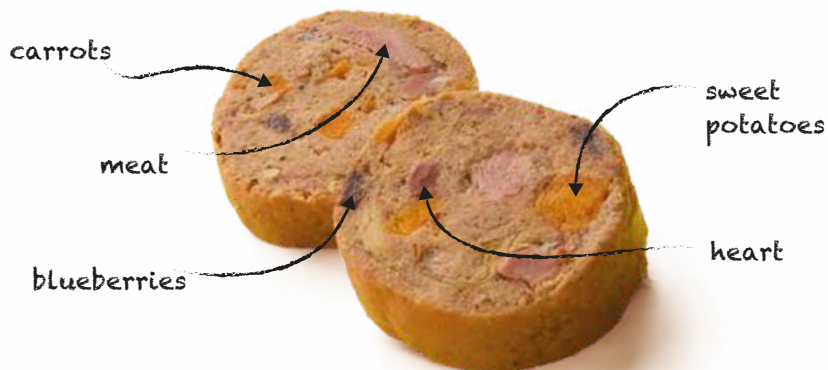

Our fruit and vegetables come fresh from the field and mainly from the region. They provide your dog with important vitamins, minerals and fibre. We use natural vegetable oils, herbs straight from nature.

GENTLE HANDLING

We never make any compromises in the production process: For optimal quality, our products are gently preserved at low temperatures and under low pressure. This preserves the important vitamins and nutrients in the best possible way.

VISIBLE PREMIUM QUALITY

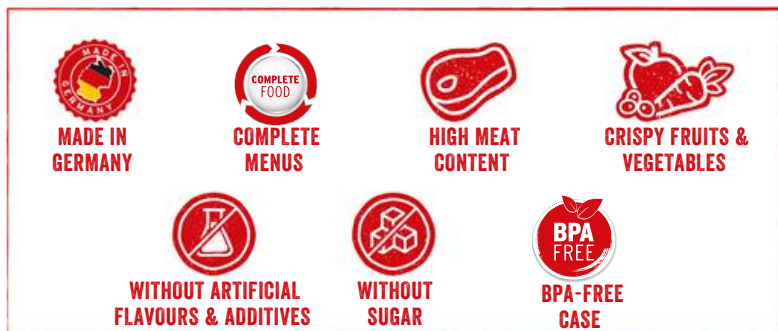

OUR CLASSIC WET FOOD MENUS
READY TO SLICE AND SERVE
