A romantic couple in formal attire under falling snow. The man, on the left, is wearing a black tuxedo with a white shirt and a black bow tie. He has short, light brown hair and is looking down at the woman. The woman, on the right, has long, light blonde hair and is wearing a black, off-the-shoulder, sequined dress. She is looking up at the man. They are both covered in a light dusting of snow. The background is dark with many white, out-of-focus snowflakes falling. The text "VICTORIA ROYS & TOM ROYS" is overlaid in the lower center of the image in a white, serif font.

A vibrant, stylized tropical background. The image is filled with large, overlapping palm fronds in shades of red, orange, and pink. In the upper right, there are large, bright yellow sun-like shapes against a blue sky. In the lower right, there are pink and orange flowers, and a small green plant with blue leaves is visible in the bottom right corner.

The background is a vibrant, abstract composition. It features large, flowing, organic shapes in shades of blue, pink, orange, and yellow. Interspersed among these shapes are several small, glossy spheres in various colors, including blue, green, pink, orange, and purple. The overall effect is one of dynamic, fluid movement and bright, saturated colors.
