Das Beste

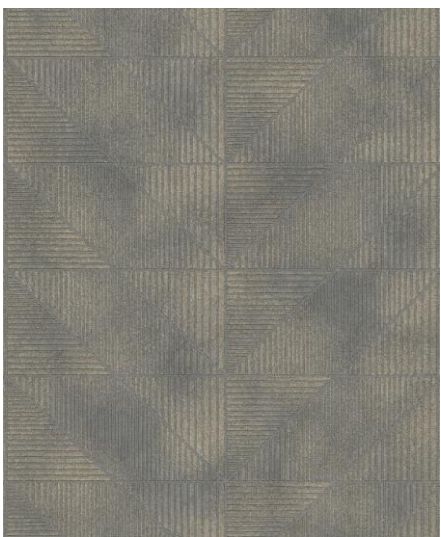

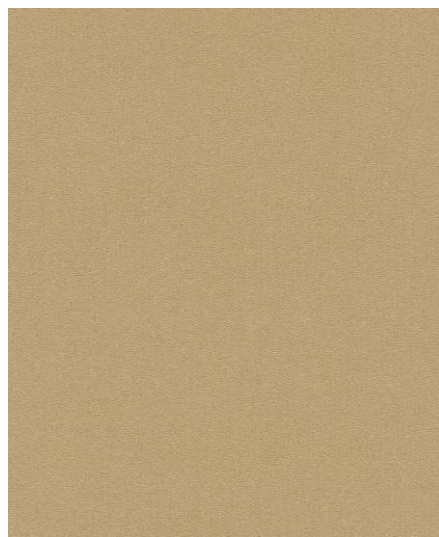

If something is particularly good, there's every reason to hold onto its essence and build upon it. That is why rasch has launched "Das Beste"! This is a specially compiled collection consisting only of our customers' favourite wallpapers – and guaranteed to keep putting a smile on the faces of wallpaper lovers. Each wallpaper has already successfully adorned all sorts of walls – sometimes with filigree stripes and graphics, sometimes with fine flowers, at other times with stronger colours. Our best has a bit of everything, but never too much.
