Series Synopsis

Inspector Behringer has been posted to Bamberg to restore order and bring the idyllic town's criminals to justice. Understatement is his weapon of choice: Behringer is a crafty underdog whose gentle gaze conceals a razor-sharp mind. He's a stubborn individual, but not a loner, and can always rely on the staunch support of his team. Behringer's forthright young colleague, Ela Jennings, would put her hand in the fire for him. Sebastian "Basti" Loncar is a gifted forensic scientist, Behringer's best friend - and brother-in-law. He is married to Behringer's sister, Anne, who runs the Bamberg beer garden, "Hofschenke", and does her best to keep their son Ole's ambitions to join the police force in check.

This vibrant bunch sticks together through thick and thin to solve even the most challenging crimes.

Konrad Behringer

Detective.

Seemingly laid back, but with a razor-sharp mind.

Sebastian Loncar

Forensic scientist.

A man who values loyalty and justice.

Sebastian is husband to Behringer's sister Anne and Behringer's best friend.

He is analytical, detail-oriented and an expert in his field. His loyalty and sense of justice make him an indispensable member of the team.
