

Plan & Card Filing

Specification

BISLEY

Some items need their own unique kind of storage. Our high-quality units organise and help protect specialist items.

Sturdy and secure, the Plan File provides reliable storage and complete protection for large format documents. With a subtle, elegant design that fits seamlessly in any workspace our Plan File, Card Filing and Index Cabinets are favoured by architects and designers, due to their sleek finish and ability to house everything from media through to smaller items. They are also ideal for organising documents such as drawings, prints, plans, samples and contact cards.

Five to ten-year Warranty.
