Electrical Distribution. Industrial Distribution. Supply Chain Services.

Custom Solutions

As one of the nation's largest independent electrical and industrial distributors, we add value across all components of the supply chain. Our vast product selection and access to large global inventories ensure "in-stock" quotations and prompt shipment from any of our locations nationwide. We offer customized value-added programs including: managed storerooms, convenient blanket order and replenishment agreements, consignment inventory programs, and more. Our mission today, as it has been for PWFS 95 years, is to provide the highest level of quality service and products to achieve total customer satisfaction.

**A Company
You Can Count On**
For 100 years, a trusted
partner with a strong
balance sheet and
a solid track record

Founded in 1923, Turtle is a fourth-generation, family-owned business and one of the nation's largest independent electrical and industrial distributors. We are headquartered in Clark, NJ, with offices that span from coast to coast. We have a long history of management by women across three generations of family leadership.

TRUST EARNED. SINCE 1923.

We have over 100 years invested in the people, processes, technologies, and relationships needed to ensure our customers' success.

DELIVERING TODAY. ADVANCING TOMORROW.

Our combination of services delivers the mission-critical solutions you need today and gets you ready to meet the high-stakes challenges of tomorrow.

RADICAL COLLABORATION. EXCEPTIONAL VALUE.

Our unique, independent ownership structure allows us to operate with the radical collaboration of a \$1B startup.

TURTLE ENGINEERING AND TECHNOLOGY SERVICES

- Construction Management
- Facilities Automation
- Energy Management
- Integrated Supply
- Technology Services
- Infrastructure Modernization
- Panel Shop
- E-Procurement
- Safety & Emergency
- Materials Management

LOGISTICS SERVICES

- On-Time Delivery with GPS Tracking
- Automated Warehouse and Real-Time Delivery
- Information Vendor-Managed Inventory
- Emergency Service 24/7/365
- Material Kitting and Storage
- On-Site Trailer and Project Management
- Project Staging with Timed Releases
- Wire Management, Cutting, Paralleling and Striping
- Centralized Purchasing
- Customer-Specific Inventory Storage and Delivery
