About us

the Amaral family

Little Drops of Water™ began in the mind of a little girl named Anna in 2014. My name is Anna and this is my dream. Naturally inquisitive, I asked my parents many questions about the Catholic faith and wanted to understand each saint and their story. My parents wanted a way to help make the faith educational and engaging. With my father's help, the first saint drawings were brought to life and the Little Drops of Water™ figurines were born.

The Little Drops of Water™ range brings Jesus, Mary, Saints and Angels into the hearts and hands of children from an early age, building a real connection with the heroes of Christianity. There are also sacramental figurines, magnets, charms and rosaries. Today Little Drops of Water™ has over 1000 figurines in its portfolio and is growing. In 2020 we created the Collectors Edition. A new line of figurines that are bigger, more detailed, and with more vibrant colours. This is a limited edition that also includes Made in Italy rosaries and secular figurine collections.

I hope you love my Little Drops of Water as much as I do.
