Julie Hammond

Reservations Manager

“Once you’ve tried luxury cruising, you won’t want to cruise any other way; being on a smaller vessel you’re able to visit special destinations where larger cruise lines would not be able to go. Then after a day exploring, you can relax in your plush private suite, dine on award-winning cuisine and enjoy the fabulous on-board entertainment.”

Silversea

Experience all-suite luxury cruising on one of the intimate Silversea ships. Understated sophistication and tastefully designed suites allow guests to enjoy a relaxed voyage, while a crew-to-guest ratio of nearly one-to-one promises exceptional service. Life onboard Silversea involves a myriad of all-inclusive delights, with leisurely days and refined evenings combining to create a welcoming atmosphere.

Regent Seven Seas Cruise

The impressive Regent Seven Seas fleet includes the larger all-suite and all-balcony Seven Seas Mariner, Seven Seas Voyager and Seven Seas Explorer, with Seven Seas Splendor joining in 2020, while the smaller Seven Seas Navigator accommodates an exclusive 490 guests. Each voyage offers the highest levels of personal service, fine food and free unlimited shore excursions in all ports of call.

SeaDream Yacht Club

A welcome retreat for just over a hundred guests and nearly the same number of crew members, these inviting and relaxed voyages differ to those onboard larger ships. SeaDream Yacht Club’s twin mega-yachts navigate the seas in comfort, with 5-star service and facilities. The intimate size of SeaDream I and SeaDream II grants them the freedom to dock in otherwise inaccessible aquatic playgrounds.

Crystal Cruises

Acclaimed for over two decades, Crystal Cruises boast first-class service, elegant spacious accommodation and a multitude of experiences, both on land and at sea. The larger ships Serenity and Symphony are joined by the intimate 62-guest yacht Crystal Esprit, and together combine to make up a luxurious all-inclusive fleet. Crystal Endeavor, a 200-guest all-suite luxury expedition yacht, will join the fleet in 2020.

Seabourn

Luxurious and sophisticated, enjoy all that these vessels have to offer, from the all-suite accommodation, welcoming social spaces and delicious dining venues, to the thoughtful activities and entertainment. The award-winning Seabourn Odyssey, Seabourn Sojourn, Seabourn Quest and Seabourn Encore were joined in 2018 by Seabourn Ovation, helping to ensure that this remains the youngest and most modern fleet at sea.

Star Clippers

These impressive ships, including the full-rigged, five masted Royal Clipper, epitomise the elegance of the grand age of sailing. Operating three of the world’s largest and tallest sailing ships, passengers enjoy the lifestyle and laid-back atmosphere of a private yacht. Carrying between 170 and 227 guests, the Royal Clipper, Star Clipper and Star Flyer offer intimate voyages around the world.

Danielle Walker

Sales Manager

"Thailand is a country you can visit time and time again; the weather's great, the beaches are beautiful and the food's delicious. There really is something for everyone. I'd recommend a multi-centre holiday combining the city with adventure and beach."

Inside Thailand with

Danielle Walker

Where can I find Thailand's most beautiful beach?

"I would have to say on Koh Samui, at either the Four Seasons or the Banyan Tree. Even though there are no private beaches in Thailand, no one else but hotel guests can really get to these. Wake up early and you may be lucky enough to enjoy it entirely to yourself – bliss!"

What's your must-do in Thailand?

"Definitely take a trip in a tuk-tuk – it's great fun at night when the city (Bangkok) really comes to life! Feel the buzz, bright lights and wafts of delicious street food as you whizz around like a local."

Which hotel on the mainland is your favourite and why?

"Well there's two really – The Siam in Bangkok and the Four Seasons Chiang Mai. The Siam is just so different from your usual city hotel; the location beside the Chao Phraya River is ideal and then there's this beautiful boutique interior filled with antiques – very unique and very stylish."

Where would you like to visit that you haven't yet been?

"I would love to go to Chiang Rai to see the elephants in their natural environment. I'd take my family with me next time too. Thailand isn't just a fly and flop destination, there's so much to see and do for all ages."

Most breathtaking view?

"The view from Six Senses Yao Noi is gorgeous. It overlooks Phang Nga Bay where a scattering of limestone karsts jut out from the sea – drinking cocktails at The Den Bar with that view was unforgettable."

"The Vietnamese are very proud of their country and their fellow people. You hear about the (Vietnam) War but you don't realise just how horrific it was; visits to the Cu Chi Tunnels and War Museum in Ho Chi Minh City were real eye-openers."

Inside Vietnam with

Rebecca Askwith

What's your most memorable experience?

"There's two... the Hoi An tour was fab, walking around the markets and then heading down the river to a cooking class where we did vegetable carvings and made Vietnamese spring rolls, a curry and mango sticky rice. The other was our Vespa tour around Ho Chi Minh; being in the city chaos and seeing the sights from the back of a Vespa was great fun!"

What's the one meal I shouldn't miss?

"I love Pho; I had it every day for breakfast. It's a simple noodle soup served with all your condiments, fresh herbs and slices of lime – it feels like a little bowl of goodness."

Most breathtaking view?

"Our flight from Halong Bay back to Hanoi was by seaplane. The views were beautiful; the pilot did a 15 minute flight over the bay, it was just amazing."

Where can I find Vietnam's most beautiful beach?

"The Anam has a gorgeous beach - a long stretch of golden sand."

What's the nightlife like?

"The nightlife in Ho Chi Minh City is crazy; you can start the night in a trendy rooftop bar with good cocktails, views over the city and everyone looking beautiful, and end up in a karaoke bar in a shopping complex, of all places!"

Cambodia

A small country with a large persona, Cambodia boasts a strong historical presence. Once the seat of one of Asia's most magnificent early civilisations, the mighty Khmer Empire of Angkor, the country's legendary temples continue to attract travellers from afar.

Step away from the temples, dotted with orange-robed monks, and you will find that much of Cambodia remains refreshingly unexplored. Discover charming villages and quiet towns, such as Siem Reap with its central market and delightful atmosphere. Largely rural, Cambodia's memorable landscapes are an undoubted highlight, with beautiful stilted wooden houses set amid a patchwork of rice paddies and sugar palms, the mighty Mekong River and great Tonle Sap Lake, remote forested highlands and idyllic islands and beaches of the south.

Home to world-famous sights, including Angkor Wat, the Royal Palace and Silver Pagoda plus endless crumbling ruins and temples, Cambodia offers an explosion of culture and charm. As the blood-red sun sets on this remarkable country, wherever you are you are sure to get lost in the atmosphere, from immersing in a deluge of deliciousness on every street corner to interacting with friendly locals and retreating to resorts that provide the perfect base for your adventures.

Senior Reservations Consultant

"There's lots of ways to see the temples of Angkor - by car, tuk-tuk, bicycle or even hot air balloon - whichever you'd prefer! For something completely different, visit Tonlé Sap Lake; it's really pretty, and fun to meet the locals of the floating villages and experience their unique way of life."

Inside Cambodia with

Amy Griffiths

Sunrise or sunset at Angkor Wat?

“Sunrise without a doubt. Your guide leads by torchlight taking you to an exclusive viewing spot, it’s pitch black when you arrive and then gradually the light comes up, the birds begin to sing and the temple emerges – your first sighting – a truly magical moment.”

What should I go and see that I may not have heard of before?

“The artisan villages – go and learn about the different types of crafts such as batik, silver making and silk weaving.”

What one thing did you learn that you didn’t know before?

“Cambodia has a turbulent history; learning about the Khmer Rouge at The Killing Fields and S-21 Prison was shocking, while Amansara’s in-house Professor gave a fascinating talk on the development and construction of Angkor Wat – why it’s built the shape it is, for example.”

Which island should I visit?

“It completely depends on your personal preference and the activities you enjoy. Song Saa is situated on two islands, where one has been left as a conservation area, and serves outstanding food while the new Alila on Koh Russey is beautifully modern and has a stunning beach.”

Where would you revisit?

“Definitely Siem Reap; although I saw all the main temples on my first visit, I’d like to go back, take it all in again and learn about them in a little more detail.”

Sophie Wormald

Senior Reservations Consultant

"Visiting Malaysia for the first time this year was a real pleasure and the island of Langkawi in particular; the standard of hotels was exceptional, much higher than I expected. Though my highlight has to be seeing the orangutans in Borneo – a real dream come true."

Inside Malaysia with

Sophie Wormald

Where can I find Malaysia's most beautiful beach?

"That's an easy one, it's got to be the beach The Datai and The Andaman share on Langkawi – it's long, wide, private, has soft white-sand and the rainforest behind, it's just a gorgeous bay."

Where can I find the best street food?

"Every Malaysian will tell you that Penang is home to the country's best street food and they're right. George Town is a foodie hotspot; here you'll experience Malaysia's mix of cultures in full bloom. Don't fill up at breakfast because you'll want to try it all - Char Kway Teow, Laksa, Wonton Mee - my mouth is watering just thinking about it."

Top wildlife encounter?

"I absolutely loved seeing the orangutans in their natural environment at the Sepilok Rehabilitation Centre in Borneo; it was definitely a bucket list moment for me. We saw Proboscis Monkeys too; they were very entertaining!"

What's your most memorable experience?

"Apart from the orangutans... that's difficult because I loved it all! My most memorable experience would have to be the cable car and oriental village in Langkawi. The views from the top are incredible, there's a sky bridge to walk across too. I'd definitely recommend opting for a glass bottomed cable car as not many people do – we had ours all to ourselves."

What was the most surprising thing you saw or did?

"I was impressed with our visit to the Petronas Towers as not too many people were up the top at the same time; it was really well organised. The views were great and learning about the tower's design and construction was actually very interesting."

"Indonesia is a beautiful country but the people are what make it special – so warm-hearted and generous. I loved Seminyak and Ubud, and the new COMO Uma Canggu looks gorgeous. I can't wait to go back and do it all again!"

Inside Indonesia with

Natalie Bradburn-Lewis

Where's the best place for snorkelling?

"Good question...we went on a private snorkelling trip to the Gili Islands on our last day in Lombok. The Oberoi staff were fabulous and knew all the best spots. We saw lots of fish and were lucky enough to see a few turtles too!"

Where would you recommend for families?

"Ubud is a good choice for families as there's so much to do there – you have culture, markets and temples alongside more adventurous activities like white water rafting and mountain biking."

How can I learn about the culture?

"I'd recommend a day out with a guide – just tell them what your interests are and they will tailor an itinerary to suit you, adapting it on the day if necessary. Our guide in Bali was very sweet; born and raised in a village just outside of Ubud, he gave us a real insight into the Balinese way of life."

What's the best way to unwind?

"You mean besides lazing in the sun on one of Bali's many beautiful beaches? There's no shortage of great spas and retreats on the island; it's a very spiritual destination. Healthy body, healthy mind and all that jazz!"

What's the one meal I shouldn't miss?

"The food at Four Seasons Jimbaran Bay was outstanding; the restaurant has a bit of everything and was really popular with outside guests too. Traditional dishes such as Nasi Goreng (fried rice) or Babi Guling (hog roast) can be found pretty much everywhere but for an authentic dining experience, I'd recommend visiting a local warung."

Perched above three miles of white sand beach on the banks of a calm bay famed for its glorious sunsets, this tropical paradise rooted in heritage provides an idyllic getaway on the southern shores of Bali.

Inspired by the charming traditions of a Balinese village, this iconic resort is arranged into seven small 'villages', each overseen by a customary Village Chief responsible for delivering a sense of authentic hospitality. Soak up the sanctuary of your contemporary pool villa, modelled on a richly decorated Balinese home with separate sleeping, bathing and living pavilions, with the added indulgence of a private plunge pool. Dine on modern Asian-inspired cuisine at Sundara, against the backdrop of far-reaching views across Jimbaran Bay, or celebrate the craftsmanship of the team at Taman Wantilan, where a brigade of speciality chefs create Asian and Western cuisine at open show kitchens. For something more relaxed, opt for the Pool Terrace Café, a casual alfresco spot by the resort's infinity pool or enjoy dining in the comfort of your own villa.

Soak up the mystical atmosphere in the Indonesian spa while the Jimba Club offers discovery and entertainment for young ones. Dive into the Bay with exclusive water activities, ride the waves with TropicSurf, and connect to the vibrant pulse of Bali's historic fishing community. Discover the island's cultural heritage through on-site workshops, learn new skills at Jala Cooking Academy or venture out in the evening for Seminyak's nightlife.

Accommodation Categories

The accommodation featured throughout our brochures carries no official hotel ratings and the room category terminology is that set by the hotel. Generally, the room categories and prices are determined by location within the resort/hotel e.g. proximity to the beach or pool.

It is important to note that facilities vary quite significantly and due to the nature of the property may omit certain amenities such as televisions and air conditioning to retain the resort's authenticity or ambience. If a particular amenity is essential to your requirements, please check that this is available at the time of booking.

Non-Featured Properties

We have the ability to book properties that are not featured in our brochure or on our website, however these are sold on a purely transactional basis and are therefore not booked with the same level of knowledge or contacts as our featured hotels.

Flight Times

The scheduled flight times detailed on your Confirmation Invoice are provisional and subject to change. Final timings will be advised to you on your travel documentation shortly before the departure date.

Luggage Allowance

Luggage allowances and permitted items vary from airline to airline and we recommend that you check the luggage policy of the airline(s) with which you are flying or ask us for further details.

Travel Documentation

Your travel documentation will be posted to your travel agent first class approximately 21–14 days prior to departure. Please check the documentation carefully and inform your travel agent of any errors or omissions as soon as possible.

Passport and Visa Requirements

It is solely your responsibility to obtain any passports, visas, health certificates, international driving licences, entry requirements and other travel documents required for your holiday. Please note that we do not accept any responsibility or liability if you cannot travel, or incur any other loss because you have not complied with any passport, visa or immigration requirements or any health formalities. See our Terms & Conditions for more information.

A valid ten-year British Passport, with a minimum validity of at least six months on the arrival date back in the UK, is required for all holidays featured in our brochures. Should your passport be in the final year of validity we advise you to thoroughly check the requirements of the country you intend to visit prior to finalising your travel plans. For further detailed information please visit the Identity and Passport Service website <https://www.gov.uk/browse/abroad/passports>. Non British Citizens must check their passport and visa requirements prior to booking with the Embassy or Consulate of the country they intend to visit.

Advance Passenger Information System (Apis)

Due to airline security measures, it is now essential that all persons travelling provide us with full and accurate passport information (Advance Passenger Information) before they travel. We are required to provide details of your destination accommodation,

country of residence, name on your passport, passport number and date of birth to your airline. At the time of booking it is imperative that this information is provided to us accurately as it appears on your passport. Failure to do so could result in the airline refusing to allow you to board the aircraft or the country of destination refusing you entry. Please also be aware that airlines are unlikely to allow a subsequent name change after booking without financial penalty for which we cannot be held liable.

Health Requirements

We strongly recommend that you contact your GP or other medical professional for advice concerning the country you are visiting as early as possible, as health requirements such as required vaccinations can and do change. If you have a medical condition or are taking any medication then you should get clearance from your doctor prior to travel and we recommend that you carry a copy of the prescription with your medication. Further sources of information can also be found by visiting www.nathnac.net, www.masta-travel-health.com or www.fitfortravel.nhs.uk.

Travel Advice

The Foreign & Commonwealth Office recommend that all British Travellers refer to their 'Know Before You Go' section on their website for the latest and up-to-date travel advice for your destination prior to departure. Please refer to www.fco.gov.uk. You can also call ABTA's Consumer Information Line on 0203 117 0599 (UK calls only).

Health And Safety

Applicable safety standards throughout our featured destinations are those of the country concerned and may not be the same standard as those expected within the UK. Please be aware that in some cases it can be lower. We therefore strongly advise you to exercise increased levels of care and diligence when abroad. We urge you to familiarise yourself with your surroundings, paying particular attention to fire procedures, fire exits and pool areas.

The depth and design of hotel pools vary and it may be the case that some hotels do not have poolside lifeguards present. Please take care in these situations, having first familiarised yourself with the depth of the pool and means of exit. This is especially important for any children you may have with you and you should ensure that they are supervised at all times.

Unfortunately, it is the case that crime occurs the world over and it is important that you take the same responsibility for your personal safety and possessions as you would at home. To reduce the chances of anything unpleasant happening, we recommend that you take appropriate precautions such as avoiding poorly lit areas at night, if you are unsure where you are going ask your local representative or hotel reception for directions and advice on the local area, lock windows and doors, avoid carrying too much cash and use the in-room safe (where applicable) for passports and expensive items. We enclose with our travel documentation ABTA's Guide 'How to have a safe and healthy holiday in the sun' and we recommend that you read this as it contains important travel advice.

Check-In/Check-Out

Check-in and check-out times vary from hotel to hotel but it is generally the case that rooms are available from 2pm onwards on the day of arrival and must be vacated by 11am on the day of departure. Should you require specific timings please ask us for further details.

Dress Code

Dress codes vary between hotels and destinations. Please note that many religious sites, temples and palaces require that legs and shoulders are covered and that shoes are removed. Please contact your travel agent or Lusso should you require further information with regard to dress code.

Local Customs & Etiquette

Across many parts of Asia it is important to familiarise yourself with local customs and cultural etiquette as these can be quite different to Western cultures and can convey very different meaning. These are some of the most important to be aware of but they are by no means an exhaustive list. The head is considered sacred and feet the dirtiest part of the body therefore you should not touch a person on the head nor use your feet to point at anything. Gestures of affection in public places are considered inappropriate. Littering is strictly forbidden and is an offence. There are also strict restrictions on smoking in public spaces and transportation services in certain countries. Gambling is strictly forbidden in Thailand and can carry severe penalties. You should always ask permission before taking photographs of local people and must never take photos of military personnel or installations.

Building Works

We aim to ensure that your arrangements will not be affected by substantial refurbishment or located in an area of significant building works. However, in certain developing areas building works are almost unavoidable and can begin without prior notice. Should we become aware of works that may adversely affect your holiday we will notify you and your travel agent as soon as possible.

Drinking Water

You will find that, regardless of the standard of the hotel, the quality of the water differs from that in the UK. Some people may experience upset stomachs from even high quality water. We advise that you drink bottled water. Please contact a medical professional if you require any further advice.

Utilities

Supplies of water and power in most of the destinations we feature are more than adequate. While it is uncommon, in some of the less developed or more remote destinations you may experience power and/or water restrictions. Please be patient while the hotel rectifies the problem.

Car Hire

At Lusso we aim to offer competitive car hire but hiring a car through us is not included as standard within our package prices. When arranging car hire we recommend that you check carefully the items

which are included within your rate and those which are excluded. Optional extras can include one way drop fees, child seats, GPS systems, young drivers fees, additional driver fees and 'top up / excess waiver' insurance fees. Please note that if you are intending to hire a car many countries have a minimum age requirement of 21 years. You must also hold a valid driving licence and present both paper and photocard versions. Additionally please also be aware that driving standards and speed restrictions may not match those that you are used to in the UK and we strongly advise extra care is taken while driving abroad.

Special Requests

We take pride in being able to assist our clients wherever possible with any special requests you may have. However, these must be advised to us in writing at the time of booking. While every effort will be made by us to try and arrange your special requests, we cannot guarantee that they will be fulfilled (please see our Terms & Conditions for more details).

Data Protection

To comply with the Data Protection Act we would like to advise you that we have taken appropriate measures to protect the personal information held by us. We must advise you that for us to provide you with the products or services you require, it will be necessary to provide the personal information you supply to us to relevant organisations and may involve sending your details to countries that do not have an equal level of data protection legislation to that of the UK. By making a booking with us you give your consent that we may pass these details to these other organisations. We may also from time to time contact you with information about special offers, brochures, new products, forthcoming events or competitions. We may also pass your details to other parties who offer goods or services which we feel may interest you. If you do not wish to receive such information, you may ask us in writing not to receive it. Full details of our Privacy Policy are available on request.

Telephone Calls

It is important to us that we provide excellent customer service and it is for this reason that telephone calls to our UK office are recorded for security and monitoring purposes.

Terms & Conditions

1. Your Holiday Contract

These Booking Conditions, our Privacy Policy, and any other written information we brought to your attention before we confirmed your booking, form the basis of your contract with Lusso Travel Ltd trading as Lusso ("we" or "us"), company number 06915677 registered in England and Wales. A 'package' and 'lack of conformity' have the same meaning as in the Package Travel and Linked Travel Arrangements Regulations 2018 and 'arrangements' are all the holiday, tour and other arrangements detailed on your confirmation (including any additions or amendments). Please read all these conditions carefully as they set out our respective rights and obligations. In these Booking Conditions references to "you" and "your" include the first named person on the booking and all persons on whose behalf a booking is made or any other person to whom a booking is transferred.

The key terms of our agreement are:- Key terms

1. You will enter into a binding contract with us when we issue our confirmation invoice. If you then cancel your arrangements, you will be required to pay cancellation charges. Initially this will be the deposit you paid to secure your arrangements, but after you've paid the balance of the price of your arrangements, these charges will increase up to 100% of the cost of them;
2. You can make changes to your confirmed arrangements in certain circumstances. We will make a charge for processing these changes;
3. We may make changes to and cancel your confirmed arrangements but we will pay you compensation in certain circumstances if we do so;
4. We are responsible for making sure your confirmed arrangements are not performed negligently but there are some limits on and exceptions to this.

2. Your Financial Protection

We provide financial security for flight inclusive packages and ATOL protected flights by way of a bond held by the Civil Aviation Authority under ATOL number 10180. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. For further information, visit the ATOL website at www.atol.org.uk. The price of our flight inclusive arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. Not all holiday or travel services offered and sold by us will be protected by the ATOL Scheme. ATOL protection extends primarily to customers who book and pay in the United Kingdom. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

We are also a member of the Association of British Travel Agents ABTA number Y2136. Lusso Travel Limited are a company committed to customer satisfaction and consumer financial protection. We are therefore pleased to announce that, at no extra cost to you, and in accordance with The Package Travel and Linked Travel Arrangements Regulations 2018, all passengers booking non-flight inclusive packages and accommodation only with Lusso Travel Limited are fully insured for the initial deposit, and subsequently the balance of monies paid as detailed in your booking confirmation. The policy will also include repatriation if required, arising from the cancellation or curtailment of your travel arrangements due to the insolvency of Lusso Travel Limited. This insurance has been arranged by Towergate Chapman Stevens through Zurich Insurance PLC.

In the unlikely event of Insolvency, you must Inform Towergate Chapman Stevens immediately on +44 (0) 1932 334140 or by email at tcs@towergate.co.uk. Please ensure you retain the booking confirmation form as evidence of cover and value. Policy exclusions: This policy will not cover any monies paid for Travel Insurance or any claim relating to Air Flights. Please ensure the Company you have booked with has the appropriate CAA / ATOL Bonds in place.

3. Booking and Paying for Your Arrangements

By making a booking, the first named person on the booking agrees on behalf of all persons detailed on the booking that:

- (a) He/she has read these terms and conditions and has the authority to and does agree to be bound by them;
- (b) He/she consents to our use of information in accordance with our Privacy Policy;
- (c) He/she is over 18 years of age and resident in the UK and where placing an order for services with age restrictions declares that he/she and all members of the party are of the appropriate age to purchase those services.

A booking is made with us when a) you tell us that you would like to accept our written or verbal quotation, and b) you pay us a deposit (see Clause 4) or if booking within 8 weeks of departure full payment and c) we issue you with a booking confirmation. A binding contract will come into existence as soon as we have issued you with a booking confirmation that will confirm the details of your booking and will be sent to you or your travel agent. If your confirmed arrangements include a flight, we (or if you booked via an authorised agent of ours, that agent) will issue you with an ATOL Certificate and a booking confirmation. Upon receipt, if you believe that any details on the confirmation, ATOL certificate (if applicable) or any other document are wrong you must advise us immediately as changes may not be able to be made later and your rights may be affected as a result. The balance of the cost of your arrangements is due not less than 8 weeks prior to the start of your arrangements. If we do not receive this balance in full and on time, we reserve the right to treat your booking as cancelled by you in which case the cancellation charges set out in Clause 8 will become payable. Any money paid to an authorised agent of ours in respect of a booking covered by our ATOL is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us for so long as we do not fail financially. If we do fail financially, any money held at that time by the agent or subsequently accepted from the consumer by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. If your booking is made through a travel agent all communications by us will be made to that address. If you arrange your holiday directly with us the correspondence will be forwarded to the lead passenger on the booking unless otherwise stipulated.

4. Deposits

The amount of deposit you pay will vary depending on the type of service you book and will be advised to you at the time of booking. Our minimum deposit amount is £250 per person or 5% whichever is the greater amount. Higher deposits may be required during peak periods and where prepayments to suppliers are necessary. Some airlines require tickets to be issued at the time of booking, in which case the deposit will be at least the full cost of the ticket and may not be refundable or transferable.

5. Our Price Policy

Our brochure(s) are prepared and costed many months before travel and based on known costs and exchange rates as advertised on www.xe.com on an ongoing basis. The prices in this brochure are for guidance purposes only and the price of your holiday will be confirmed at the time of booking. We reserve the right to amend the price of unsold holiday arrangements at any time and correct errors in the prices of confirmed arrangements. The price of your confirmed arrangements is subject to variations which occur solely as a direct consequence of changes in:-

- (a) the price of the carriage of passengers resulting from the cost of fuel or other power sources;
- (b) the level of taxes or fees on your confirmed arrangements imposed by third parties not directly involved in the performance of the package, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; or
- (c) the exchange rates relevant to the package.

Price variations will be calculated by applying the cost differential we experience as a result of the above factors. Prices may go up or down and we will notify you about any variation by sending you a calculation explaining the variation no less than 20 days you are due to depart.

If your arrangements are a package, and if that means that you have to pay an increase of more than 8% of the price of your arrangements (excluding any insurance premiums, amendment charges and/or additional services), we will offer you the options in clause 10.

If prices go down as a result of the above factors, we will make a reflective refund, but we will also deduct our administrative expenses from what is owed to you and this may extinguish the value of the refund due.

Also, note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on price due to contractual protections in place.

6. Method of Payment

We accept all forms of payment. Cheques should be made payable to Lusso Travel Ltd. Details for Bank Transfers are available upon request.

7. Changes by You

If you wish to change any part of your booking arrangements after our confirmation invoice has been issued, you must inform us in writing as soon as possible either directly or via your travel agent. This should be done by the lead name on the booking. Whilst we will do our best to assist, we cannot guarantee that we will be able to meet your requested change. Any alterations are only possible if permitted by our suppliers. Where we can meet a request, all changes will be subject to any applicable rate changes or extra costs incurred as well as any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. We will charge an administrative charge of £25 per amendment. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you. A cancellation fee may be payable.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements.

8. Cancellation by You

If you or any other member of your party decides to cancel your confirmed booking you must notify us in writing. Your notice of cancellation will only take effect when it is received in writing by us at our offices at 17 London Road, Alderley Edge, Cheshire, SK9 7JT. We recommend that you use recorded delivery. Since we incur costs in cancelling your arrangements, you will have to pay the applicable cancellation charges up to the maximum shown below (The cancellation charge detailed is calculated on the basis of the total cost payable by the person(s) cancelling and amendment charges which are not refundable in the event of the person(s) to whom they apply cancelling):-

Number of days prior to departure date when written notice of cancellation received	% of price payable
Up to 56 days prior	deposit only
55 – 43 days prior	50%
42- 22 days prior	70%
21 – 14 days prior	90%
13 – 0 days prior	100%

Note: We strongly advise you to obtain adequate Travel Insurance with appropriate cancellation cover. If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration or cancellation could incur a cancellation charge of up to 100% of that part of the arrangements in addition to the charge above. In these circumstances the applicable cancellation charge will be advised to you at the time of booking.

You may cancel any package arrangements prior to their commencement (following the process outlined above) in the event that i) circumstances amounting to unavoidable and extraordinary circumstances are occurring at the place where your arrangements are due to be performed or its immediate vicinity ii) those circumstances make it impossible to travel safely to the travel destination; iii) the performance of your arrangements will be significantly affected by those unavoidable and extraordinary circumstances and iii) the Foreign and Commonwealth Office advises against travel to your destination or its immediate vicinity. In this event, you will receive a refund without undue delay of any payments made but this the maximum extent of our liability and we regret we cannot pay you compensation or meet any other expenses or losses you may incur as a result.

If your arrangements are a package and if any member of your party is prevented from travelling, that person(s) may transfer their place to someone else (introduced by you and satisfying all the conditions applicable to the arrangements, including an agreement to these booking conditions) providing we are notified in writing not less than seven days before departure and you pay an amendment fee and meet all costs and charges incurred by us and/or incurred or imposed by us or any of our suppliers. Both you and the person to whom you would like to transfer your arrangements shall be jointly and severally liable for the payment of any balance due and for any additional fees, charges or other costs arising from the transfer. If you are unable to find a replacement, cancellation charges as set out above will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

9. Changes to a Confirmed Booking after Commencement of Travel

If you are forced to return home early, we cannot refund the cost of any services you have not used. If you cut short your holiday and return home early in circumstances where you have no reasonable cause for complaint about the standard of accommodation and services provided we will not offer you any refund for that part of your holiday not completed, or be liable for any associated costs you may incur. If you

decide to alter your travel arrangements whilst abroad this is your own responsibility and we will not be responsible for any extras or difficulties that may arise with onward travel as a result of such alterations. Depending on the circumstances, your travel insurance may offer cover for curtailment and we suggest that any claim is made directly with them.

10. If We Change or Cancel Your Holiday

Where we refer to a 'price reduction' in this clause, we mean that we will give you an appropriate reduction in the price you paid for the arrangements affected for any period during which there was lack of conformity, (unless that lack of conformity is attributable to you). Where we refer to 'compensation', we will pay you appropriate compensation without undue delay for any damage which you sustain as a result of any lack of conformity subject to the limitations and exclusions in section B of clause 12.

It is unlikely that we will have to make any changes to your travel arrangements, but we do plan the arrangements many months in advance. Occasionally, we may have to make changes and we reserve the right to do so both before and after departure.

Changes and cancellations before departure

Most changes will be insignificant and we reserve the right to make them. If we make an insignificant change to the main characteristics of your arrangements we will try to notify the change to you or your travel agent as soon as reasonably possible before your departure but we will not notify you about any other insignificant change. We will have no other responsibilities to you in respect of any insignificant changes.

Occasionally, we have to make a significant change and we reserve the right to do so. A significant change is one where we or our suppliers significantly alter any of the main characteristics of your arrangements. Examples of significant changes include the following changes when made before departure:-

a change of accommodation to that of a lower official classification or standard to that originally booked for the whole or a major part of the time you are away;

a change of outward departure time resulting in the overall length of time you are away being reduced by twelve hours or more;

a change of UK departure point to one which is substantially more inconvenient for you (except between airports within or around the same city for example London Gatwick and Stansted Airports).

Where we or our supplier can no longer fulfil any special requirements that we have accepted and confirmed on our confirmation invoice and this will have a significant impact on your arrangements.

If we have to make a significant change or cancel before departure, we will inform you without undue delay and if there is time to do so before departure, we will offer you the choice of the following options:-

- i) (for significant changes) agreeing to the changed arrangements,
- ii) accepting the cancellation or terminating the contract between us and receiving a refund (without undue delay) of all monies paid; or
- iii) accepting an offer of alternative arrangements of comparable standard from us, if available.

(In the event that any proposed change or alternative offered results in a reduction or increase in the price you have agreed to pay or an increase or decrease in the quality of arrangements we have agreed to provide, we will also notify you of any price reduction or additional amount due).

You must notify us of your choice within 7 days of our offer. If you fail to do so, we will contact you again, re-iterating the above choices and sums payable or refundable and if you again fail to respond within 7 days, we may terminate the contract and refund all payments made by you without undue delay.

Where you have booked a package and you choose option ii) above, subject to the following exceptions as well as the limitations and exclusions in section B of clause 5, we will where appropriate pay you reasonable compensation. The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

We will not pay you compensation where:-

- i) we make a significant change or cancel before you have paid the final balance of the cost of your arrangements;
- ii) we make a significant change or cancel as a result of unavoidable and extraordinary circumstances as set out in clause 11;
- iii) where you choose options i) or iii) above;

We will not make a price reduction or pay you compensation; and the above options will not be available where:-

- i) we make an insignificant change;
- ii) we cancel as a result of any failure by you (including a failure to make payment in accordance with these terms);
- iii) where the change(s) or cancellation by us arises out of alterations to the confirmed booking requested by you.

Changes and cancellations after departure

If we become unable to provide a significant proportion of your arrangements after you have departed, we will try to offer you suitable alternative arrangements of, where possible, equivalent or higher quality than those specified in the contract. If the alternative arrangements we make are of a lower quality than those you originally booked, we will make a price reduction. Where our original agreement included return transport we will also provide you with equivalent transport back to your place of departure. You may reject the proposed alternative arrangements only if they are not comparable to what we originally promised to provide or if the price reduction we offer is inadequate.

Where we are unable to make suitable alternative arrangements or you reject the proposed alternative arrangements in line with this clause, where appropriate and only where you have booked a package, we will pay you compensation subject to section B of clause 12.

The above sets out the maximum extent of our liability for changes and cancellations and we regret we cannot meet any other expenses or losses you may incur as a result of any change or cancellation.

11. Unavoidable and Extraordinary Circumstances

Except where otherwise expressly stated in these booking conditions we will not be liable or pay you compensation if our contractual obligations to you are affected by unavoidable and extraordinary circumstances beyond the control of the party who seeks to rely on them which we or the supplier(s) of the service(s) in question could not avoid even if all reasonable measures had been taken. These events can include, but are not limited to war, threat of war, civil strife, terrorist activity and its consequences or the threat of such activity, riot, the act of any government or other national or local authority including port or river authorities, industrial dispute, lock closure, natural or nuclear disaster, fire, chemical or biological disaster and adverse weather conditions which make it impossible to travel safely to or remain in the travel destination; adverse sea, ice and river conditions, significant risks to human health such as the outbreak of serious disease at the travel destination and all similar events outside our or the supplier(s) concerned's control. Advice from the Foreign Office to avoid or leave a particular country may constitute unavoidable and extraordinary circumstances. Where you have booked a package and we are unable to ensure your return as agreed because of unavoidable and extraordinary circumstances which directly prevent you from travelling safely back to your point of departure, we will bear the cost of necessary accommodation if possible of equivalent category for a period not exceeding (a) 3 nights per traveller (exceptions apply in respect of persons with reduced mobility and people travelling with them, pregnant women and unaccompanied minors, as well as persons in need of specific medical assistance, provided that we have been notified of their particular needs at least 48 hours before the start of the package); or (b) where a different period is specified in any passenger rights legislation applicable to the relevant means of transport for your return, for the period specified in that legislation.

12. Our Responsibilities and Liability to you

Where we refer to a 'price reduction' in this clause, we mean that we will give you an appropriate reduction in the price you paid for the arrangements affected for any period during which there was lack of conformity, (unless that lack of conformity is attributable to you). Where we refer to 'compensation', we will pay you appropriate compensation without undue delay for any damage which you sustain as a result of any lack of conformity subject to the limitations and exclusions in section B of this clause.

A. Our responsibilities differ according to what you have booked:

In relation to flights where the place of flight departure and arrival is within the UK

In respect of the sales of flights where the place of flight departure and arrival is within the UK, we act as agent. We accept no liability in relation to any contract you enter into or for the acts or omissions of any supplier(s) or other person(s) or party(ies) connected with any such booking. For all such flights, your contract will be with the supplier of the flights in question. When making your booking we will arrange for you to enter into a contract with the applicable flight supplier(s) and your booking with us is subject to the specific booking conditions of the relevant flight supplier(s) you contract with. The supplier's terms and conditions may limit and/or exclude the supplier's liability to you. Copies of applicable conditions are available on request from us.

In relation to bookings of Packages:

We accept responsibility as an 'organiser' under the Package Travel and Linked Travel Arrangements Regulations 2018. Subject to these booking conditions, if we fail to arrange or perform your package arrangements in accordance with our agreement, we will remedy any resulting lack of conformity. If that is impossible or entails disproportionate costs (taking into account the extent of the lack of conformity and the value of the arrangements affected), we will instead pay you reasonable compensation subject to clause B of this clause. Please note that it is your responsibility to show that we or our supplier(s) have been negligent in performing or arranging the package arrangements if you wish to make a claim against us.

In relation to all other bookings:

We have a duty to select the suppliers of the services making up your booking with us using reasonable skill and care. Except as stated otherwise in these terms, we have no liability to you for the actual provision of the services, except in cases where it is proved that we have breached that duty and damage to you has been caused. Therefore, providing we have selected the suppliers using reasonable care and skill, we will have no liability to you for anything that happens during the service in question or any acts or omissions of the supplier, its employees or agents.

Please note that it is a condition of our acceptance of the responsibility above that you inform us and the supplier(s) concerned without undue delay of the lack of conformity you perceive; and allow us a reasonable period in which to remedy it. Please contact our local representative using the contact details on your itinerary or by calling our emergency number +44 (0)1625 800321

B. Limitations of responsibility

In these terms and conditions, our responsibilities are limited, and duty

to pay compensation is limited as follows:-

Any price reduction or compensation that is payable will be calculated taking into consideration all relevant factors for example (but not limited to):-

a) whether or not you have followed the complaints and notifications procedure as described in these conditions. It is a condition of our acceptance of liability under this clause that you notify any claim to ourselves and our supplier(s) strictly in accordance with the complaints procedure set out in these conditions.

b) the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your arrangements.

Luggage or personal possessions and money

The maximum amount we will have to pay you in respect of any claim for loss of and/or damage to any luggage or personal possessions or money is an amount equivalent to the excess on your insurance policy which applies to this type of loss per person in total because you are assumed to have adequate insurance in place to cover any losses of this kind.

Claims covered by an International Convention

When arranging transportation for you, we rely on the terms and conditions contained within any applicable International Conventions. The extent of or the conditions under which compensation is to be paid or liability accepted will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air); The Athens Convention (with respect to sea travel); The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements). You can ask us for copies of these Conventions.

Assistance to those on a package in the event of difficulty or unavoidable and extraordinary circumstances

Where you have booked a package, we will provide appropriate assistance without undue delay in the event that you experience difficulty including where you are unable to return to your agreed point of departure because of unavoidable and extraordinary circumstances as set out in paragraph 2 of clause 11. Such assistance will extend to providing appropriate information on health services, local authorities and consular assistance; and helping you to make distance communications and to find alternative travel arrangements. We will charge a reasonable fee for such assistance if the difficulty is caused by you intentionally or as a result of your act or omission. In the event such assistance is needed please contact our local representative using the contact details on your itinerary or by calling our emergency number +44 (0)1625 800321

13. Your Responsibilities

Any passports, visas, health certificates, International Driving Licences, entry requirements and other travel documents required for your holiday must be obtained by you, whose responsibility it remains to ensure that these are all in order and to meet any additional costs incurred (whether by you or by us on your behalf) as a result of failure to comply with such requirements. You are responsible to arrive at stated departure times and places and any loss or damage which you suffer through failure to do so lies with you. We have no liability whatsoever to you through your failure to do so. The Foreign & Commonwealth Advice Unit may have issued information about your holiday destination. You are advised to check this information on the Internet under the address <http://www.fco.gov.uk>

All guests staying with us are expected to conduct themselves in an orderly and acceptable manner and not to disrupt the enjoyment of other guests. If in our opinion or in the opinion of any hotel manager or any other person in authority, your behaviour or that of any member of your party is causing or is likely to cause distress, danger or annoyance to any of the other guests or any third party or damage to property, or to cause a delay or diversion to transportation, we reserve the right to terminate your booking arrangements with us immediately. In the event of such termination our liability to you and/ or your party will cease and you and/or your party will be required to leave your accommodation or other service immediately. We will have no further obligations to you and/ or your party. No refunds for lost accommodation or any other service will be made and we will not pay any expenses or costs incurred as a result of termination. You and/or your party may also be required to pay for loss and/or damage caused by your actions and we will hold you and each member of your party jointly and individually liable for any damage or losses caused by you or any member of your party. Full payment for any such damage or losses must be paid directly to the hotel manager or other supplier prior to departure from the hotel. If you fail to make payment, you will be responsible for meeting any claims (including legal costs) subsequently made against us as a result of your actions together with all costs we incur in pursuing any claim against you. We cannot be held responsible for the actions or behaviour of any other guests or individuals who have no connection with your arrangements with us.

14. Conditions of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions which will form part of your contract with us. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions. Copies of the relevant parts of these terms and conditions are available on request from ourselves or the supplier concerned.

15. Flights, Delays and Denied Boarding

The following clause applies to arrangements booked with us that are inclusive of flights.

Please note the existence of a "Community list" (available for inspection at http://ec.europa.eu/transport/modes/air/safety/air-ban/index_en.htm) detailing air carriers that are subject to an operating ban with the EU Community. The carrier(s), flight timings and types of aircraft shown in this brochure and detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. In accordance with EU Regulation 2111/2005 we are required to advise you of the actual carrier operating your flight/connecting flight/transfer. We do this by detailing carriers to be used or likely to be used on our website's Airline Information Pages and we shall inform you of the identity of the actual carrier(s) as soon as we become aware of it. The latest flight timings will be shown on your tickets which will be despatched to you approximately two weeks before departure. You should check your tickets very carefully immediately on receipt to ensure you have the correct flight times. If flight times change after tickets have been despatched we will contact you as soon as we can to let you know and in all cases at check-in or the boarding gate. Such a change is deemed to be a minor change in accordance with Clause 10.

We use the scheduled services of the world's international airlines and whilst these airlines are rarely subject to lengthy delays there are occasions where airlines are subject to operational delays, change of aircraft and routing, over which we have no control. Where this does occur it is the responsibility of the airline or transport provider concerned to provide refreshments and/ or appropriate accommodation. We cannot accept liability for any delay which is due to any of the reasons set out in Clause 13 of these booking conditions (which includes the behaviour of any passenger(s) on any flight who, for example, fails to check-in or board on time).

Under EU Law, you have rights in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. Reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday price from us. If the airline does not comply with these rules you should complain to the Aviation Consumer Advocacy Panel which is part of the Civil Aviation Authority www.caa.co.uk. This brochure is our responsibility, as your tour operator. It is not issued on behalf of, and does not commit the airlines mentioned herein or any airline whose services are used in the course of your travel arrangements. Please note that in accordance with Air Navigation Orders in order to qualify for infant status, a child must be under 2 years of age on the date of its return flight.

16. Special Requests, Disabilities and Medical Problems

Any special requests must be advised to us at the time of booking e.g. diet, room location, a particular facility at a hotel etc. You should then confirm your requests in writing. Whilst every effort will be made by us to try and arrange your reasonable special requests, we cannot guarantee that they will be fulfilled. The fact that a special request has been noted on your confirmation invoice or any other documentation or that it has been passed on to the supplier is not confirmation that the request will be met. Failure to meet any special request will not be a breach of contract on our part unless the request has been specifically confirmed and guaranteed in writing. We are not a specialist disabled holiday company, but we will do our utmost to cater for any special requirements you may have. We will give you information about whether the arrangements you have chosen are generally suitable for persons with reduced mobility but if you or any member of your party has any precise medical problem or disability which may affect your chosen arrangements, please provide us

with full details before we issue our confirmation. We will only provide precise information on the suitability of the trip or holiday taking into account your needs if you specifically request us to do so. Acting reasonably, if we are unable to properly accommodate the needs of the person(s) concerned, we will not confirm your booking or if you did not give us full details at the time of booking, we will cancel it and impose applicable cancellation charges when we become aware of these details. If you develop a serious medical problem after making a booking or a medical problem worsens, we reserve the right to reasonably refuse or cancel your booking, if in the unfortunate event that we cannot accommodate the booking/reservation. In these circumstances we will endeavour to limit any cancellation charges applicable.

17. Complaints

We make every effort to ensure that your holiday arrangements run smoothly but if you do have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and our local representative (where applicable) immediately who will endeavour to put things right. Please note that failure to follow this procedure may affect your rights under this contract and reduce or extinguish any claim against us or our suppliers as we have been denied the opportunity to investigate and rectify the problem and/or take steps to reduce or entirely prevent any loss or damage being suffered. If your complaint or problem is not resolved locally, please contact us by email, by telephoning our UK Office on +44 1625 591111, or our 24 Hour Emergency Telephone Number as detailed on your itinerary. If the problem cannot be resolved and you wish to complain further, please send formal written notice of your complaint to us at Client Services, Lusso Travel Ltd, 17 London Road, Alderley Edge, Cheshire, SK9 7JT within 28 days of the end of your stay, giving your booking reference and all other relevant supporting information. Please keep your letter concise and to the point. This will assist us to quickly identify your concerns and speed up our response to you.

18. ABTA

We are a member of ABTA, membership number Y2136. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you an arbitration scheme for the resolution of disputes arising out of, or in connection with this contract. The arbitration scheme is arranged by ABTA and administered independently. It is a simple and inexpensive method of arbitration on documents alone with restricted liability on you in respect of costs. The scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking form. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. The application for arbitration and Statement of Claim must be received by ABTA within eighteen months of the date of return from the holiday. For injury and illness claims, you may like to use the ABTA Mediation Procedure. This is a voluntary scheme and requires us to agree for mediation to go ahead. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com. You may also wish to refer the matter to the European Commission's Online Dispute Resolution Platform which can be accessed using the following link: <http://ec.europa.eu/odr/#>

19. Brochure Accuracy & Pricing

The information contained within this brochure and on our website is for guidance purposes only. It is prepared many months in advance and we endeavour to ensure that all the information and prices in our brochures/website are accurate at the time of publication. However, occasionally changes and errors occur and we reserve the right to correct prices and other details in such circumstances. We will not be liable for booking errors which are attributable to you or which are caused by unavoidable and extraordinary circumstances as defined in clause 11. Descriptions of accommodation, facilities and services are obtained from our suppliers in advance of publication and it is possible that an advertised facility may be withdrawn or changed for reasons such as lack of demand, bad weather, maintenance or renovation. You must check the current price and all other details relating to the arrangements that you wish to book before your booking is confirmed. Please note prices in this brochure/website do not include charges for payment by Credit/Debit Card. Due to ongoing renovations some hotels or their surroundings may have changed, sometimes quite dramatically since the latest update of this brochure or our website. In the majority of cases the images featured are those provided by the relevant suppliers. It is a requirement of booking that adequate travel insurance cover is obtained prior to booking. Please ensure that any policy obtained provides adequate cover for cancellation, missed departure and unused accommodation. You must also ensure that any activities considered hazardous (scuba diving, etc) and travel in light or single-engine aircraft are covered by your policy where you intend to take part in such activities. We advise you to read the details of your policy carefully and take them with you on your holiday. Please note that the majority of insurance policies will exclude any undisclosed pre-existing conditions, medical or otherwise, and we advise you where you have any doubt to check with your insurer prior to booking. We do not sell travel insurance but please contact us should you require an introduction to an insurance provider who will assist with your insurance needs.

21. Jurisdiction and Applicable Law

These Booking Conditions and any agreement to which they apply are governed in all respects by English law. We both agree that any dispute, claim or other matter which arises between us out of or in connection with your contract or booking will be dealt with by the Courts of England and Wales only (if not referred to Arbitration under Clause 18). You may however, choose the law and jurisdiction of Scotland or Northern Ireland if you live in those places and if you wish to do so. If any part of this contract is found by a competent authority to be invalid, unlawful or unenforceable then that provision shall be deemed not to be a part of this contract and it shall not affect the enforceability of the remainder of this contract. No term of this contract is enforceable pursuant to the Contracts (Rights of Third Parties) Act 1999 by any person who is not a party to it.

AITO is the Association for independent and specialist holiday companies. Our member companies, usually owner-managed, strive to create overseas holidays with high levels of professionalism and a shared concern for quality and personal service. The Association encourages the highest standards in all aspects of tour operating.

Exclusive Membership

AITO sets criteria regarding ownership, finance and quality which must be satisfied before new companies are admitted to membership. All members are required to adhere to a Code of Business Practice which encourages high operational standards and conduct.

Financial Security

An AITO member is required to arrange financial protection for all holidays and other arrangements (including accommodation only) booked by customers with the member under the AITO logo. This financial protection applies to customers who are resident in the UK at the time of booking and to most overseas customers who have booked directly with the member. In doing so, the member must comply with UK Government regulations. Members are required to submit details of their financial protection arrangements to AITO on a regular basis.

Accurate Brochures and Websites

All members do their utmost to ensure that all their brochures and other publications, print or electronic, clearly and accurately describe the holidays and services offered.

Professional Service and Continual Improvements

All members are committed to high standards of service and believe in regular and thorough training of employees. Members continually seek to review and improve their holidays. They listen to their customers and always welcome suggestions for improving standards.

Monitoring Standards

AITO endeavours to monitor quality standards regularly. All customers should receive a post-holiday questionnaire from their tour operator, the results of which are scrutinised by the Association.

In addition, customers can leave detailed feedback, accessible from the homepage of this website, or via a direct link supplied by their AITO tour operator, about their holiday.

Sustainable Tourism

All members acknowledge the importance of AITO's Sustainable Tourism guidelines, which recognise the social, economic and environmental responsibilities of tour operating. Those demonstrating their achievements beyond the pure acceptance of this principle are recognised by the award of 2 to 5 star status.

Customer Relations

All members endeavour to deal swiftly and fairly with any issues their customers may raise. In the unlikely event that a dispute between an AITO member and a customer cannot be settled amicably, AITO's low-cost Independent Dispute Settlement Service may be called upon by either side to bring the matter to a speedy and acceptable conclusion.

Many of the flights and flight-inclusive holidays in this brochure are financially protected by the ATOL scheme. ATOL protection does not apply to all holiday and travel services listed in this brochure. Please ask us to confirm what protection may apply to your booking.
