HOSPITALITY

UPHOLSTERY | CASEGOODS

For over 30 years, ADRIANA HOYOS has been at the forefront of luxury furniture design. Rooted in Latin America with headquarters in Miami, the company has evolved into a global brand celebrated for our sophisticated and inspired designs. Our commitment to impeccable craftsmanship and cutting-edge technology, ensures that every piece created, whether it is an expertly crafted casegood or exquisitely detailed upholstery, is a testament to enduring quality and timeless style.

As a vertically integrated company, we have complete control over the production process, from sourcing sustainable materials to delivering finished products. This allows us to offer a comprehensive range of luxury furnishings at the highest quality. Our work includes a wide range of prestigious global projects such as luxury resorts, boutique hotels, airports, cruise lines, and country clubs.

WARRANTY & MATERIALS

We select Seike wood for its exceptional durability and resistance, complemented by decorative veneers of Seike and French Oak.

Our lacquers are not only odorless post-application but also environmentally friendly, emitting minimal pollutants and boasting high UV resistance.

Non toxic polyurethane coatings create a finish that enhances the beauty of the wood while offering durability in high use settings.

FABRICS

Highly durable commercial fabrics and easy to care for. Our COM program also allows you to choose the textile that best suits your needs to upholster the furniture frames.

FOAM

We use high-density polyurethane foam with a density of 1.9LB/FT3, meeting NFPA 260 standards for safety and comfort.

COMFORT

We have developed various levels of comfort to adapt to the needs of each market and provide the utmost comfort.

Our furniture structures are backed by a 5-year limited warranty against manufacturing defects, with a 2-year warranty covering material failures for our lacquers.

COMPREHENSIVE WARRANTY

MANUFACTURING

Our vertically integrated manufacturing facilities are used optimally. Operators and qualified artisans are specialized in a specific part of the manufacturing process. The furniture undergoes the woodworking, machining, assembly, stain & finish, and upholstery process.

ICONIC DESIGN

Our iconic designs embody the highest standards of quality, perfectly harmonizing aesthetics and functionality for your commercial spaces.

LOGISTICS

With 30 years of experience, we provide comprehensive customer support from the moment the order is placed until it arrives at its final destination.
