# Tremco® 440 Tape

### Finishes

- Black
- Grey

### Specification

- **Premium Dimensions:** 1/16" thick x 3/8" wide, providing precise coverage and sealing.
- **Generous Roll Length:** 50 feet per roll to accommodate large-scale or multiple projects.
- **Superior Adhesion:** Made for excellent bonding to metal, glass, and other building materials.
- **Architectural-Grade Performance:** Delivers weather-resistant, airtight, and watertight seals, ideal for demanding applications.
- **Versatile Use:** Perfect for construction, glazing, curtain wall systems, and other architectural applications.
- **Durable and Flexible:** Maintains performance under various environmental conditions while ensuring easy application.

# EPDM Setting Blocks

## Product Overview

- **Material:** Durable EPDM rubber with excellent weather and moisture resistance
- **Available Sizes:** 1/16", 1/8", 3/16", 1/4", 3/8", 1/2", 7/16" & 1-1/8"
- **Application:** Widely used in frameless shower installations to provide stable and secure support for glass panels
- **Function:** Prevents direct contact between glass and hard surfaces, reducing the risk of damage or cracking
- **Ideal For:** Ensuring proper alignment and cushioning in frameless glass shower setups, **even in wet or humid conditions.**

# Cut Resistance Gloves

### Key Features

- **High-Level Cut Resistance**: Engineered with advanced materials to withstand sharp edges and reduce the risk of injuries.
- **Comfortable Fit**: Lightweight, breathable fabric ensures all-day comfort during use.
- **Excellent Grip**: Textured surface for a secure hold on tools, materials, and equipment.
- **Durable and Reusable**: Built to last through multiple uses without losing performance.
- **Versatile Use**: Ideal for kitchen work, construction, carpentry, metalworking, glass handling, and more.

**GLOVES-BLK**
Multifunctional Sealant Tool (5in1)

**GLOVES-BLU**
Multifunctional Sealant Tool (5in1)

# Multifunctional Sealant Tool (5in1) & Magic Eraser

### Specification

- **5-in-1 Functionality**: Combines multiple tools for repairing gaps, removing excess sealant, and achieving smooth finishes.
- **Sliding Switch Design**: Easily switch between the trowel and squeegee functions to adapt to various tasks.
- **Sealant Finishing Tools**: Includes 4 different soft head sizes (3R, 6R, 10R, 13R, 17R) for a variety of smoothing needs.
- **Reusable and Durable**: Made from high-quality plastic, the tool is easy to clean and built for long-lasting use.
- **Versatile Applications**: Ideal for use in kitchens, bathrooms, windows, sinks, and other home improvement projects.

**SEALANT-TOOL**
Multifunctional Sealant Tool (5in1)

**ALERASER**
Aluminum Magic Eraser For Scratch Removal

# 3M Scotch Brite

**3MHANDPAD**
3M Scotch Brite General Purpose Hand Pads

### Specification

- **Superior to Traditional Methods:** Outlasts steel wool, wire brushes, and sandpaper for cleaning, finishing, and surface preparation.
- **Versatile Applications:** Effective on rubber, composites, wood, metal, plastics, ceramics, porcelain, and glass.
- **Reusable and Long-Lasting:** Resists tearing, splintering, shredding, loading, and corrosion, providing a long useful life.
- **Flexible Design:** Can be folded, stacked, or rolled for efficient cleaning or conditioning on flat, uneven, or contoured surfaces.

# Cork Pads
