## Making People Happier & Healthier

We're constantly innovating and developing exciting, unique products that take kids away from screens and inspire creative discovery. Parents and grandparents know our toys make great gifts.

This year we are excited to introduce the Shashibo Magnetic Puzzle Universe – an ever-expanding world of shape-shifting puzzle toys, interactive game experiences, and creative accessories designed to inspire endless play and discovery.

YEAR FINALIST**

**HIGH PROFIT MARGINS**

## The Ultimate in Shape-Shifting Fun!

Shashibo stands as a testament to innovation in the toy industry — a mesmerizing blend of geometric transformation and artistic beauty that has captivated young and old around the world.

But beyond its mesmerizing motion, Shashibo connects deeply with what our audiences value most.

For **parents**, it's a boredom-busting, mess-free way to keep kids curious, creative, and engaged without digital distractions.

For thoughtful **grandparents**, it's the ultimate gift — one that inspires connection across generations and brings hands-on wonder back into playtime.

And for **creative adults**, it's a screen-free moment of focus — a tactile escape that calms the mind and sparks imagination.

**Unlock the Mystery. Unlock the Profits.**

**New!**

## Introducing the Shashibo Magnetic Puzzle System

This year the Shashibo Family grows beyond the Original Cube and Shashibo<sup>2</sup> into an expanded collection of complementary magnetic shapes — all compatible, all designed to unlock endless creativity at all price points. Together, they form a system of play that transforms how families connect, how creators unwind, and how we all rediscover the joy of screen-free discovery.

*Combine all styles in the Shashibo System to build infinite combinations – they're all compatible!*

## What Goes Around, Comes Around!

Karmagami® flips infinitely – rotating and transforming seamlessly into 4 colorful designs like a kaleidoscope. It helps calm the mind and is great for kids and adults who constantly fidget with their hands. Anyone can flip it forwards and backwards endlessly. It's easy to use for all ages! No noise. No gimmicks. Just pure flipping fun!
