

DRY TONER MEDIA ROLL STOCK LIST

Wausau Coated offers an assortment of pressure-sensitive roll products that are engineered specifically for Dry Toner printers and presses. Select from a variety of paper, film, or specialty facestocks to fit your specific needs. We continue to expand our digital product offerings and work closely with OEMs (Original Equipment Manufacturers) such as Konica Minolta, Afinia, Arrow, Centra, Xeikon-Cheetah, and Spectrum to ensure that our products will consistently perform to your expectations.

The items listed on the following pages are stocked and available for immediate shipment with a low minimum order quantity. Trial rolls are available and recommended to determine the suitability of any product for a particular application. In addition to our stocked items, we can mix and match many of our facestocks with various adhesive technologies and liner options.

Disclaimer: Due to the variety of OEMs, print engine technologies, and printer settings, we strongly advise users to test the performance of our materials on their specific press prior to purchasing. It is the customer's responsibility to test and approve all materials under real application conditions before placing an order.
