## PADRAIG MAHER OUR PGA PROFESSIONAL

Ring of Kerry Golf Club was delighted to welcome Padraig Maher as our PGA Professional early in 2024. Since joining, Padraig has quickly integrated with the members, bringing a wealth of knowledge and enhancing the day-to-day golf operations at the club.

One of the key requests from our members was to have an experienced and knowledgeable professional on site. Padraig has more than fulfilled this role, becoming a valuable part of our team and the club committee.

He has driven improvements in the pro-shop, enhanced the member experience, and supported event management throughout the year. In addition to providing exceptional off-course services, Padraig offers members a complimentary 1-hour lesson to help elevate their game.

Whether you're looking to fine-tune your putting technique, master chip shots, perfect pitch shots, conquer bunker challenges, or improve your long game, Padraig is here to provide expert, personalised guidance. Be sure to visit the pro-shop to find out how he can help you make 2025 your best year on the course.
