BEST PLACE TO SPOT LIONS

Just 3 hours from Durban, Hluhluwe-iMfolozi Park is one of the best places to see lions in the wild. Home to the Big Five, lion sightings here are frequent, especially on early morning guided safaris. Our expert Guides know the best spots and the elevated vehicles give you great views. From lounging on the road to hunting in the bush, lions are often seen across the Park's hills and grasslands. Our "Six on Safari" experience offers unobstructed views, binoculars and is limited to just 6 guests per vehicle ensuring a spacious, peaceful and adventurous safari. To book a safari simply click on the button below.

WHY BOOK A NIGHT GAME DRIVE

While staying in St. Lucia, a guided night safari in iSimangaliso Wetland Park offers an exciting chance to spot leopards, hippos and more after dark in this Big 4 Reserve. You'll be picked up from your accommodation and enjoy tea or coffee, muffins, rusks and blankets to keep warm. With spotlights on each vehicle, guests can even help the Guide spot wildlife, making it a memorable hands-on experience.

The Heritage NEWSLETTER

i Established in 1895, Hluhluwe–iMfolozi Park is South Africa's oldest game reserve. It's globally recognized for its pioneering White Rhino conservation and its Centenary Capture Centre, which sets the benchmark for ethical wildlife capture and sustainable management in Africa.

WHAT TO PACK FOR A WINTER SAFARI

Winter mornings in Zululand can be chilly, so we recommend dressing in layers with beanies/caps and windproof jackets help as the day warms up. Hot beverages are included on safari, making for the perfect mid-drive stop.

Night game drives in iSimangaliso Wetland Park can also get cold, so warm clothing is essential. To keep you comfortable, we also provide luxurious safari blankets for a cozy experience. Winter is prime time for wildlife sightings in Zululand, thanks to the cooler weather making animals more active.

MEET OUR GUIDE JABULANI

"I've been a guide with Heritage Tours for the past five years. My favorite animals are wild dogs and elephants, both very smart in different ways. My passion for Guiding comes from a deep love of nature. I enjoy every opportunity to share the beauty of the bush and my experiences with guests, helping them connect with nature."
