# ABOUT US

BeStrong has more than 14 years of experience in engineering, designing and manufacturing sport and fitness equipment. Our portfolio consists a versatile and comprehensive range of outdoor equipment, and all of our products were developed with sport and fitness professionals and tested with international athletes.

Currently, we operate with two hubs, the European headquarter is in Debrecen, Hungary, and our North America headquarter is in Florida, USA.

The company has manufactured and installed over 1400 outdoor sport and fitness parks across 15 countries and currently expanding to other territories globally.

### EXPERIENCE

Since its foundation in 2007, BeStrong is committed to strengthening and building communities by creating safe, accessible and highest quality sport and recreational areas.

## MISSION

BeStrong's mission is to educate and promote healthy lifestyles by manufacturing the highest quality outdoor fitness equipment and providing training programs. Then making it available to everyone.

## INNOVATION

Reflecting on the user experience we keep monitoring and innovating to be able to build the highest quality parks with the best possible technology, focusing on functionality, user specific and accessible.

## MANUFACTURING

BeStrong has a proud history of engineering and manufacturing excellence. We design and create everything ourselves in Hungary at our manufacturing center located next to our Head office in Debrecen, Hungary. In 2021, we started developing our US manufacturing hub in Tampa Bay area, Florida.

# **SOCCER** FITNESS PARK

■ The BeStrong Soccer Fitness Park has been designed with full understanding of the physical demand of youth and professional players and the risk factors related to an injury.

■ The Park provides users of any age or ability the potential to develop their general fitness, their soccer-specific strength, and their physical resilience, which reduces the risk of injury.

# SPORT ARENAS

- The sports arenas can be customised and configured to any budget, space or customer needs.
- Our multi use arenas are accessible for any ages or abilities.
- The multi-sport arenas are suitable for a variety of sports, for instance soccer, basketball, volleyball, tennis, pickleball, street hockey, and more.

# MULTI USE GAMING ARENA

**More than one sport!**

# OUTLOOK

- Our goal is to develop a number of community parks and sport-specific fitness parks to complement the requirements and demands of these individual sports and community needs.
- To provide training options specific to these sports for all users, delivering health and fitness benefits alongside the development of sports-specific physical attributes.
- Our vision is to develop BeStrong into the global leader in outdoor fitness creating and delivering the complete package from equipment to education and technology.
