RIVER CRUISE WITH CONFIDENCE

The world has changed; however, our commitment to the health and safety of our guests and crew remains of the utmost importance to us. We have been proud to welcome guests back on board since summer 2021. Their feedback has been overwhelmingly positive as guests are delighted to travel again and are highly satisfied with the exceptional experiences we continue to provide.

WHY RIVER CRUISE WITH AMAWATERWAYS?

With more than 19 years of experience on the world's rivers, our family-owned and operated company has remained focused on what we do best: providing our guests with innovative and unforgettable travel experiences. Our visionary leaders were the pioneers of modern luxury river cruising and have received numerous prestigious awards and accolades. However, we are most fulfilled by the positive feedback we receive from our guests, whom we have always considered a part of our family.

FLEXIBILITY AND PEACE OF MIND

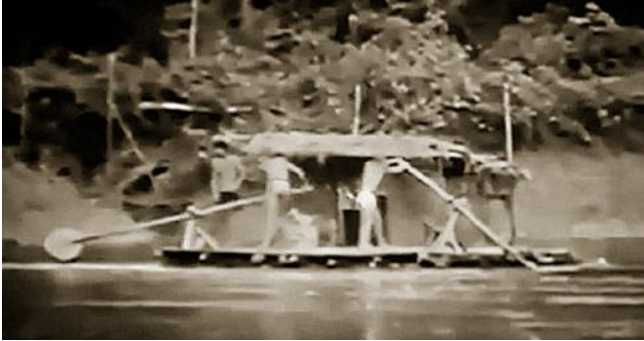

We understand how important it is for you to have peace of mind when reserving your much-anticipated future journey. We offer a range of options to best suit your needs, from flexible travel options to and from your river cruise, support onboard from our highly-trained & professional Cruise Managers, plus flexibility when booking with our Travel Waiver Plus programme. To find out more, contact us.

OUR HERITAGE ON THE RIVER

With roots throughout Europe and along distinctive Austrian and German waterways, a passion for river cruising is a part of our very DNA.

Our Co-Founder and President, Rudi Schreiner, grew up in Vienna, at the heart of the Danube River, later venturing to Peru, where he built a raft and set sail along the Amazon River. While Rudi fueled his adventurous spirit, our Executive Vice President, Kristin Karst, was discovering the magic of travel in her hometown of Dresden, Germany, sailing with her family along the Elbe River. A thousand miles away, our beloved late Co-Founder Jimmy Murphy was realising his passions for people and travel from his home in Ireland, planting the seeds for his future career.

EXCLUSIVITY AND AUTHENTICITY

In 1992, the Rhine-Main-Danube Canal was completed and Rudi's visionary leadership helped launch the U.S. operations of most major international river cruise companies, later earning him the industry title of the "Godfather of River Cruising." Under his guidance, each of our itineraries is thoughtfully curated with the most authentic excursions and exclusive experiences just for our guests. Much of our crew also hail from the regions we sail through - unique in the cruise industry.
