

A Sanctuary to Live and Learn

UNISUS is an IB World School located in Summerland, British Columbia, Canada. Summerland is a safe and vibrant community located 3.5 hours from Vancouver and 45 minutes from Kelowna, one of the fastest growing innovation and technology hubs in Canada.

The region boast the most desirable climate in Canada and is surrounded by organic farms and orchards, endless hiking and mountain biking trails, miles of inland beaches, rock climbing, and world class ski hills. The four distinct seasons and beautiful natural surroundings provide an ideal setting for year-round sports and extracurricular activities.

Our campus is steps away from nature's playground where you can explore the natural beauty of Canada through our outdoor experiential programs while developing critical future proof skills that are core to our IB programs.

My parents suggested I go to boarding school to prepare me for the big step of going abroad. Canada was an obvious choice for me. I chose the IB as it is the most powerful way to prepare for university. I also wanted to be close to nature...to go skiing, to be outdoors is a part of my day to day experience. I don't like big schools; I thought UNISUS was a perfect match for me and it became the best decision for me

-Fiamma, Unisus Graduate
