Student and Teacher Stools

126 MLE Stool

Our versatile MLE Stool comes in a range of heights to suit students of any age and can be paired with any of our extensive range of tables. The foam seats can be covered in any fabric from our range, however we recommend using a heavy duty, stain resistant fabric.

- Can be stacked up to 4 stools high
- 19mm square steel powdercoated frame with foot rest and non-skid rubber feet
- 45mm thick foam seat
- Available in any of our Standard Quality, High Quality and Premium Quality fabrics. For schools we recommend using a very hard wearing, stain resistant fabric that can be cleaned and will withstand penetration from sharp items

Size options

- 400H - Year 1-6
- 450H - Year 7-13
- 550H - Year 1-4
- 660H - Year 4-13

301 Jari Active Stool

The Jari Active Stool, is a quality height adjustable stool, designed to prevent lying back, slouching and sitting still for too long, perfect for the classroom, STEM room or library.

The stool features a rotating convex base with one leg on a stable tripod, so the user can constantly adjust and move. The seat fabric is anti-bacterial, waterproof and mould-proof and can easily be removed and re-upholstered.

- Seat has a very high Martingale rub test, good stretch and low fire rating
- Height adjustable from 400 - 500mm
- Weight rating 130kg
- 45mm thick foam seat
- Each stool comes in a box, fully assembled
- Slip resistant base
- Suitable for students of all ages as well as adults
- 10 year warranty covering faulty workmanship and parts. NB: warranty does not cover wear and tear and misuse of the product

127 High Bob Stool

With its flexible back and ergonomic shell, the High Bob Stool ensures users have plenty of posture support while still allowing for movement when sitting. Born after numerous requests from customers for a stool with a back, the High Bob Stool is designed to be the perfect accompaniment for our high tables, bar leaners and lab benches.

Available in two colours, the High Bob Stool is sure to be a great addition to classrooms, labs, STEM rooms and staffrooms.

- Reinforced polypropylene shell that is strong, durable and easy to clean
- Lightweight, strong and durable
- 25mm round solid-welded steel frame
- Flexible back providing posture support and allowing movement
- Suitable for adults and children
- Overall dimensions: 510W x 535D x 660H

302 Peekaboo Stool

The Peekaboo student stool is strong and stable, perfect for any learning space and suitable for both indoor and outdoor use. Made from durable plastic, it is lightweight and stackable for easy storage.

The award-winning design prevents the 'vacuum effect' when stacked together, and unstacks as easily as it stacks.

- Overall size: 400W x 410D x 467H
- Back rest: 50H
- Seat size: 340W x 300D
- Seat height: 425H
- Strong and stable, perfect for any learning space
- Lightweight, durable and stackable up to 14 high for easy storage
- Soft peel shaped top acts as a backrest and carry handle
- Suitable for both indoor and outdoor use
- Made for adults and children
- 100% Recyclable
- 3 year warranty
- Minimalist and contemporary design makes stools also suitable for office and hospitality spaces

664 Chair Mats

Chairmats are essential for protecting your carpet from wearing out quickly in the areas where your office chairs are rolling over regularly. These translucent mats are available in two sizes and feature a keyhole shape, allowing space for your chair and feet. The mats also feature grips that ensure they do not curl up at the edges or move around the floor, creating a tripping hazard.

- **Size A** - 900 x 1200
- **Size B** - 1100 x 1300
- Keyhole-shaped PVC chair mat that is flexible and will protect your carpet from high use wear
- Clear design ensures it will suit any room interior
- Suitable for use on any pile thickness of carpet and with underfloor heating
- Spikes on the underside hold the mat in place
- Provides the user with ease of movement and helps to reduce strain on your back, knees and legs
- Guaranteed against cracking

665 Footrests

Work more ergonomically and comfortably with the addition of an under desk footrest. Available in two options, with the Platinum offering height and angle adjustment and the Black offering angle adjustment only. Manufactured from high grade moulded plastic, both footrests are built to last and work well in the office environment or at home.

- **A - Platinum Footrest**
- Footprint size: 460W x 360D
- High grade moulded plastic
- Height and tilt adjustable
- Platinum colour and premium rubber surface
- 10 year guarantee
- **B - Black Footrest**
- Footprint size: 460W x 360D
- High grade moulded plastic
- Tilt adjustable only
- Black colour
- 10 year guarantee
