## ABOUT ELEANOR

Eleanor Griffiths is a true English Rose, a superb actress who you most definitely want to ‘buy stock’ in right now. A seasoned performer who is rapidly forging a career on both stage and screen. Eleanor graduated in 2016 from the Royal Conservatoire of Scotland with a BA in Musical Theatre. Instantly Eleanor took to treading the boards as Sally Bowles in CABARET. Not content on waiting for work to land at her door, Eleanor wrote and directed her own Musical, ‘THE ART OF SKIPPING’ showing most notably at THE EDINBURGH FRINGE. Her 2022 stage performance in ‘5 LESBIANS EATING A QUICHE’ gained huge critical acclaim, with ‘West End Best Friend’ website noting the cast were “a Force to be reckoned with”. Her stunning singing capabilities allowed her to perform as VERA LYNN at the Union Theatre in the celebrated theatre show ‘BLITZ!’

A woman of many talents Eleanor has secured screen roles in award winning films, ‘SHAMROCK SPITFIRE’ and ‘TIME SPENT’ and most recently finished shooting ‘LEARN TO LOATHE YOURSELF’ which is to be released later this year. Currently Eleanor is performing as the lead in ‘YES WE’RE RELATED’ which has already received critical acclaim from CITY AM.

Eleanor has had much commercial success, working with many household brands; BOOHOO MAN, DEICHMANN, SANTANDER, to name but a few. Her voice over work has seen her work for ODEON, KIA, VODAFONE, BLACK & DECKER. A woman of too many talents.
