About us

Founded in 2025, Svangiya Global Exports is a dynamic and quality-driven company specializing in the export of premium Red Chilli Powder and Turmeric Powder. With a strong commitment to purity, freshness, and global standards, we aim to deliver the authentic taste and vibrant colors of Indian spices to markets around the world.

At Svangiya Global Exports, we understand that quality is the foundation of trust. Our spices are carefully sourced from reliable farms, processed under hygienic conditions, and packed using advanced techniques to preserve their natural aroma, flavor, and nutritional value. Every batch undergoes strict quality checks to ensure it meets international food safety standards.

Red Chilli Powder from our company is known for its rich color, strong aroma, and balanced heat, while our Turmeric Powder stands out for its bright golden hue and high curcumin content. These products are ideal for food manufacturers, wholesalers, and distributors seeking consistent quality in bulk quantities.

In addition to maintaining premium quality standards, Svangiya Global Exports is dedicated to building long-term partnerships with clients across the globe. We believe in transparent communication, timely deliveries, and customized solutions that meet the specific requirements of our buyers. Whether it is tailored packaging, private labeling, or bulk export orders, we strive to offer flexible services that align with international market demands.
