CREATE A LASTING MEMORY

WITH A BUTTERFLY IN
OUR BUTTERFLY IN
WOODLAND WALK

REMEMBER AND CELEBRATE YOUR CHILD

Located in our beautiful 7.5-acre nature reserve at The Ark, these hand-crafted butterflies offer a unique and meaningful way to remember your child.

The butterflies are a gift to you from Noah's Ark. They are designed and created by artist Paul Cox and are available in several colours for you to choose from – pink, red, orange, yellow, green, blue and magenta. A stainless steel tag attached to each butterfly can be engraved with an inscription to celebrate and honour your child.

Your butterfly will be placed in our Butterfly Woodland Walk for at least one year. After this time, you can either keep your butterfly at The Ark, or collect it to take home and put in your garden to treasure forever.

Please get in touch with your Noah's Ark Family Link worker in order to organise the dedication of your butterfly.

For more information please contact the Family Link team at noahs.flteam@nhs.net or call **020 8449 8877**

YOUR BUTTERFLY MEMORIAL TRIBUTE

CHILD'S NAME: _____

I would like to collect the butterfly and put in a place of our choosing

I would like to place the butterfly in the Noah's Ark Woodland Walk

CHOICE OF COLOUR:

Pink

Red

Orange
