Parks and Recreation Month

When

July | All-inclusive pop-up events throughout July

Each July, we celebrate park and recreation professionals and how they improve the lives of tens of millions of people, making a lasting impact in communities across the country. Park and recreation programs are essential to community health and help cultivate lifelong friendships, memories and family bonds that people hold dear decades later.

In July 2026, Park and Recreation Month highlights “The Power Of” parks and recreation and the people who make it all possible. Parks and recreation bring us together, strengthens our health and well-being, and builds more resilient, connected communities.

This July, we’re celebrating the many ways parks and recreation reveals the power of what connects us:

The Power of Connection: Parks and recreation is where relationships grow, cultures meet, and communities’ bond.

The Power of Play: From playgrounds to programs to youth sports, play fuels creativity, joy, and lifelong learning.

The Power of Community: Public spaces offer room for everyone to gather, celebrate, and heal.

The Power of Nature: Nature restores and inspires us, and parks ensure everyone can access its benefits.

The Power of Belonging: Welcoming parks and programs make every person feel valued.

The Power of Well-Being: Parks and recreation advances health, resilience, and shared community benefits.

Broadway Bootcamp 2.0

Level up your stage skills this summer with Broadway Bootcamp 2.0! We can't wait to welcome your performer to our high-energy camp taught by our team of theatrical professionals, including Broadway and Disney+ actress, Kate Reinders! Kate is a veteran Broadway actress known for her roles in *Wicked* (Glinda), *Something Rotten!* (Portia), *Gypsy* (June), and *Beautiful: The Carole King Musical* (Cynthia Weil). Additional Broadway credits include *Into the Woods*, *Good Vibrations*, and *The Adventures of Tom Sawyer*. Disney+ fans may recognize her as Drama Teacher, Miss Jenn, on *High School Musical the Musical the Series*.

In this exciting opportunity, campers will dive into an experience designed to build confidence, creativity, and performance skills through singing, dancing, and acting. Our fun, supportive environment is great for both entry level performers and those ready for masterclass level opportunities. Performers will be grouped thoughtfully by age, talent, and experience level to ensure everyone feels supported and appropriately challenged throughout our time together.

This limited opportunity will be built around a Broadway-inspired theme, culminating in a musical revue to showcase all that has been learned. Our 5-12 year-old students should come ready to learn material we have prepared to teach them in our traditional Broadway Bootcamp experience. We encourage our afternoon 13-18 year-old campers to come prepared with a song, dance, or scene to work on with our team throughout the camp, but it is not required.
