

Auxilium and Play the Game Limited have developed an exclusive offer for Charities & other community organisations.

This offer will enable you to increase your donations, host fundraising events, sell a limited edition branded popular table/board game (Convoy The Card Strategy Game), sell sponsorship packages and so much more.

CONVOY The Card Strategy Game[™] is a fast paced table game for 2, 3, 4, 6 or 8 players that will challenge your use of skill & strategy (6 or 8 players split into teams of 2). Anyone can lean in minutes and is enjoyed by both men and women of all ages alike.

This gripping new game experience is enjoyed by more than just card players and by both men and women of all ages alike.

The Objective

The object of the game is to form "Convoys" comprising 4 same coloured counters (or 3 plus a bonus counter) in a straight line either vertically, horizontally, diagonally or a square, anywhere on the board.

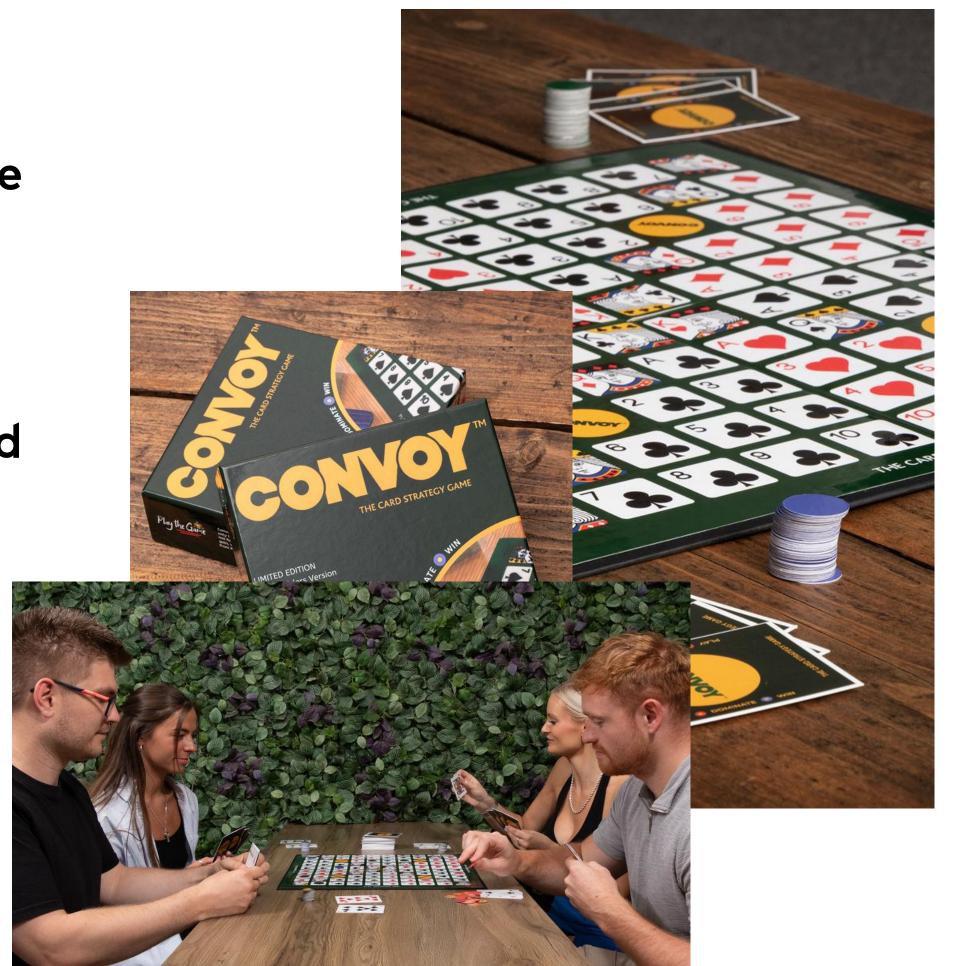

Once a "Convoy" is completed the counters forming it are turned over to show the 2-tone colour.

After this stage the "Convoy" in question cannot be removed.

This is a very fast moving game as each move must be played within 30 seconds.

What is on offer?

- 1. Exclusive Limited Edition Game Version
- 2. Your Charity Edition Branding Design
- 3. Your Sponsors Choose a card square
- 4. Events Fundraisers and Tournaments
- 5. Retail Pack
- 6. Marketing Pack

The difference Auxilium can make to this offer.

Auxilium is able to provide your charity with the funding to start this project right away. This means there is no up-front cost to your organisation.

We pay, Play The Game to produce an exclusive Game version of 250, 500 or 1000 sets.

We work with you to help sell up to 44 sponsorship deals to your existing and new business/corporate supporters. This tends to come from their marketing budget, rather than CSR, which means they can claim back any VAT charged. Even better they will not part with any funds until all the sponsorship has been filled and the final design brief signed off by you.

We co-organise 4 fundraising events for your charity over the following 12 months.

What the sponsor gets!

By working directly with the producers of Convoy we have created a number of areas which we can make bespoke.

You can choose whether each each Sponsor will receive a limited edition game set or the opportunity to buy.

The sponsor can keep this or donate it to a Fundraising Auction. They will get their own press release about their sponsorship and will be included in a main charity press release.

- 1. Sponsor Card Squares 40 available numbers 1-10 of each suit will give them 2 logo locations on the board 2cm x 4cm.
- 2. Sponsor a Jack get a logo on all 4 wild cards as an exclusive VIP(Sponsor) offer.
- 3. Joker of the Pack We will create a bespoke Joker with their Logo for this exclusive 2 card VIP Offer
- 4. Headline Sponsor Spaces available on the back of the card and the box for you and 2 headline sponsors.

Let's take a look at some examples of how much fundraising we can help you to facilitate.

For these examples we will show you the difference in costs and levels of donations you can achieve depending on Quantity and Charges.

These are illustrative examples for now but we will sit down with you to build an opportunity that will best suit your needs.

On receipt of the order we will arrange for Play The Game to start coordinating with you to arrange Events and Tournaments which you will be able to host repeatedly throughout the year.

They will also provide you with the Retail and Marketing Packs and can provide storage and shipping fulfilment if required.
