CUSTOMER SERVICE

At Dandara we're committed to putting our customers first. From the first interaction with our sales team, to the day you move in, we're dedicated to providing the best possible service. But it doesn't end there, even after you've moved in, we will still be on hand to answer any questions you may have. In fact, over 90% of our customers would recommend us to friends and family which has earned us 5 stars for customer service from the Home Builders Federation's annual New Homes Survey. We will keep you updated with the progress of your property and invite you to visit and attend a home demonstration so our on-site team can explain how various aspects of your new home will work.

We will also ensure move in day runs as smoothly as possible and will provide you with a comprehensive information pack that details all the working aspects of your new home. Our Customer Service team will be in touch to see how you have settled in and answer any questions you may have. You can find out more in our Customer Charter which describes our commitment to our customers and outlines the warranties and guarantees we provide with every home we build. Please visit our website for further information.
