ABOUT US

Marcelina Furniture Studio was created from a simple belief: that every project deserves a steady, thoughtful partner who understands how meaningful a well-crafted space can be. For us, the process is just as important as the final environment. We guide each client with care—translating ideas into clarity, easing the complexities, and ensuring every choice feels intentional.

Our approach is rooted in calm professionalism, genuine connection, and an unwavering commitment to making the journey feel effortless. At Marcelina, we stand beside our clients from the first spark of vision, shaping an experience defined by trust, refinement, and a shared passion for creating spaces that truly resonate.

RESIDENTIAL EXTERIOR

Every home is approached as a unique journey. Our process allows furniture to be customized in response to lifestyle, space, and personal taste, guided with care from initial concept through final selection. The result is furniture that feels intentional, effortless, and truly personal.

COUNTER STOOLS.

COUNTER STOOLS.

Counter stools bring comfort and ease to outdoor counters and casual dining areas. Designed with balanced proportions and supportive structures, they offer a relaxed seating experience while maintaining a refined residential presence. Their thoughtful design allows them to integrate naturally into open-air environments.
