

WASECA READING PROGRAM ECO STORAGE

We are so excited that you have purchased the Waseca Reading Program Eco Storage. All of the parts that you need to build these storage cabinets for your Waseca Reading Program materials are included in this kit (with some spare parts, just in case!).

Included:

9 x cabinet frames

54 x cabinet shelves
(6 per cabinet)

72 x drawers
(8 of each color - only 7 are needed in a cabinet, but we included an extra of each)

2 sheets of color-coded stickers to number the drawers (one sheet is extra)

HOW TO ASSEMBLE:

Follow the steps below to build the red cabinet! The same steps will apply for all of the other cabinets. You can build them all at once for the full reading rainbow of cabinets or build each color as you advance through the Waseca Reading Program.
