ALS Lock Tools

Tools by Locksmiths for Locksmiths.

Based in Slough, the ALS locksmith tool shop carries a wide range of high quality lock picks, bypass tools and lock picking accessories.

They also provide locksmith training including lock opening techniques.

Eight Ball Engineering

The trusted UK locksmith tools and training supplier.

Founded with innovation at its heart, Eight Ball Engineering began with ULTRA PICK a revolutionary lock-picking tool designed specifically for UK locksmiths.

Eight Ball Engineering proudly serves as the UK commercial distributor for Safe Venture tools. They are dedicated to supporting locksmiths across the UK with high-quality, innovative tools, and ensuring their products are always available when you need them most – on the job, and in your van.

Choose Eight Ball Engineering for reliable, industry-leading locksmith tools designed for professional locksmiths and Safe engineers.
