About Today's Host

The Harwich Fire Association is an organization consisting of active and retired Harwich firefighters whose mission, since 1929, is to complement the work of the Harwich Fire Department, support its firefighters, and promote goodwill throughout the community. The

Harwich Fire Association takes great pride in the service we provide to our community and we look to continue carrying on this tradition into the future. We are extremely grateful for the support and generosity we have received from the friends of the Harwich Fire Association through the years, because without yoursupport, none of what we do would be possible

The Boston Bruins Alumni Association is pleased to have you join us at our games and hope you will enjoy our event. We strive to be one of the finest organizations of its kind throughout the New England area.

This season the Bruins Alumni are looking forward to another productive season. We want to thank Ed Sanford, John Bucyk, Bob Sweeney and Rick Middleton for their contributions as Alumni president and many years of outstanding service. Without their leadership and dedication, the Bruins Alumni would not be what it is today. We will strive to be as successful in our endeavors as they have been over the past 56 years.

Our Alumni Association has raised more than \$12 million for local charities and youth hockey programs. It is through the support, generosity and interest of you and our sponsors that we have been able to achieve that goal.

When the Bruins legends skate onto the ice, hockey history comes alive again. We hope you enjoy our games, and again, we are most grateful for your support.
