

About Us

Every home has a story, and with Home Interiors by Urban Ladder, we help you tell yours. Whether it's your first apartment, a family home, or a serene retreat, our 12 years of expertise bring your vision to life with effortless precision.

With best-in-class quality, our expert designers craft spaces that are beautiful, warm and inviting—spaces that welcome you today and for years to come. Let us help you transform your home into the one you've always dreamed of, where sweet memories are made and cherished for a lifetime.

Let's Get Started

From resistant-proof kitchens to load-bearing wardrobes our modular range is designed to enhance every corner of your home. Each piece is crafted with precision and style, integrating seamlessly into your lifestyle for years of comfort. Whether you are renovating a single room or transforming your entire home, our modular range offers the perfect balance of aesthetics and durability.

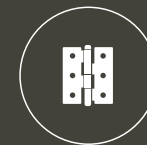

Kitchen

Modular kitchens help you make the most of the available space by giving you plenty of storage options with a minimal footprint. Our wide range of features is available for all layouts, enabling you to create a kitchen especially designed for Indian households that withstand humid conditions.

Sink Unit

Keep your kitchen corrosion-free even with regular water exposure thanks to ISI 304 Stainless Steel.

Corner Unit

Access kitchen essentials easily with enhanced storage efficiency. Choose from basic shelving, a carousel unit, D-tray, Leman's corner and moving corner to suit your space

Bottle Unit

Store bottles and jars of varying sizes with increased access, even in tight spaces.

Base unit with drawers

Enjoy safe and organised cooking with Innotech drawers equipped with soft close mechanisms and stainless steel baskets that remain rust and termite-free.

Shutter Unit

Display special cutlery with lift-up shutter units with minimum opening resistance and soft close mechanism to ensure smooth and silent cooking.

Criss Cross Corner Unit

Manage waste effortlessly with twin partition containers and removable baskets that are easy to install under sink units.

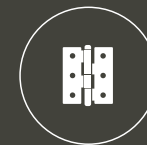

Wardrobe

Your storage requirements, available space, and aesthetic sense are the primary deciding factors when choosing wardrobes. From configuring the internal structure of your wardrobe to selecting the type of doors you need, designing a wardrobe is where design sensibilities and intelligence meet

How you can prepare?

Floor plan

From your floor plan layouts to architectural details, we meticulously delve into every aspect of your house. Please ensure you come prepared with all relevant information to facilitate our detailed planning process.

Wishlist

Whether it's a new backsplash, a water filter under the sink, a home gym, or a personal library, compile a wishlist of everything you envision for your dream home. Let's leave no room for regrets.

Aesthetics

Are you inclined towards minimalism or Bohemian style? Do bold shades of neutrals resonate with you? Are wooden floors your preference, or do you lean towards tiles? These considerations are crucial for our initial discussions. Feel free to share moodboards or references; we're eager to hear your ideas.

Time

Creating your dream home is a process that demands time, patience, and creativity. When we meet, we'll take the time to understand your lifestyle and aesthetic preferences thoroughly. Together, we'll embark on a journey that promises nothing less than excellence.
