Discover your dream wedding destination!

Located within a picturesque valley, graced with waterfront panoramas and sprawling across 18 acres, Fraser River Lodge beckons as the quintessential wedding venue. Only an hour's drive from Vancouver, a short 10-minute hop from Harrison Hot Springs, and minutes away from the charming Agassiz farming community.

Nestled at the base of Mount Cheam, our grounds host wild bison, creating a photographer's paradise and setting the stage for your perfect day.

## *how it works*

After reserving your wedding day with us, our devoted wedding coordinators are readily available to assist with any inquiries you may have throughout the journey. We're thrilled to guide you through a tour of our lodge, showcasing every wedding space.

A crucial final meeting with our head coordinator awaits three months before your wedding date. In this session, we'll meticulously review all ultimate particulars: schedules, vendors, and menus.

A key advantage of choosing us is our venue's complete and exclusive use for 24 hours—from 10 a.m. on your special day to 10 a.m. the following morning. On your wedding day, our team at Fraser River Lodge will meticulously arrange tables, chairs, linens, and cutlery.

As for other rented decor, the respective vendor will manage its setup. When the celebrations conclude, our staff will manage the decor breakdown (excluding additional lights you might have added).

**Your dream wedding awaits!**

# what's included

Our packages are designed to cater to every aspect of your wedding journey. From crafting your dinner menu to ensuring every detail is exquisite – including tables, linens, and chairs – we take care of it all.

Experience peace of mind with our seasoned expertise, unwavering support, and meticulous on-the-day wedding coordination. Your special day is our priority, and we're here to ensure it unfolds seamlessly.

Imagine saying "I do" in our licensed ceremony areas, featuring three scenic outdoor locales and one elegant indoor space. (Registrar services to be arranged separately.)

Your reception is meticulously curated with your choice of round or rectangular tables (round up to 100 - 135), crisp white linens, elegant bistro chairs, pristine white plates, gleaming silver cutlery, and sparkling stemware.

Enhance your ceremony with our sound system, if needed (self manned) , perfect for your cherished music and heartwarming speeches. We also offer a state of the art slideshow system to share your photos with your loved ones!

Experience the luxury of our beautiful honeymoon suite, where romance and comfort intertwine. Additionally, indulge in two dedicated "getting ready" rooms – the elegantly vintage Wedding Suite and the multifunctional Games Room equipped with entertainment options for a relaxed start to your day.

# FAQ's

## **Can we have a 2-day booking?**

Yes, in off-peak seasons. Available on Wednesdays/Thursdays, requires booking all Lodge guest rooms for two nights, plus rehearsal dinner and breakfast the morning of the wedding (min. 20 guests, maximum 35).

## **What is the role of the Wedding Coordinator?**

We're your support throughout the wedding day, bridging the gap between you, vendors, family, and staff. Our responsibilities encompass guiding guests, orchestrating setup, updating the timeline with the commissioner, leading the wedding party aisle walk, briefing the MC on schedule and policies, coordinating with photographers for lighting and setup, resolving tech issues (slideshows, sound systems, music), ensuring meal quality, assisting the Bride at the buffet, delivering guest services (highchairs, allergies, directions), and more.

Before your big day, we meticulously plan and meet with you to finalize details and timelines, attending all on-site rehearsals. Our role is to handle all on-site aspects from the lodge's perspective. Our main objective is to eliminate stress on your wedding day, ensuring you have the best experience at our lodge!

## **Do you decorate or provide decorations?**

We provide all necessary tableware, glassware as well as white or black tablecloths, and napkins. However, please note that we do not supply nor set up decorations.

Nevertheless, we are more than happy to assist lighting candles before your reception starts & relocate ceremony decor to repurpose these items for your Reception. We now offer bulb string lights, available upon request. Choose from two stunning designs to elevate your lighting experience.

## **Are there any décor restrictions?**

All candles must be encased and no confetti, glitter or fireworks are allowed.

## **Do we need to rent tables & chairs?**

No, there's no need to worry about renting them. We provide both round (up to 100 - 135) and rectangular tables as well as our white Bistro chairs for you to use at no additional expense.

## **Do you have wheelchair access?**

Yes, we have an elevator available for all clients to use.

## **How long is the venue hire and what time can we start set-up?**

24-hour hire. You have access to the venue at 10 a.m. & check-out is 10 a.m. the following day.

**Can we decorate the night before?**

If there is no event the night before your wedding, you are welcome to drop off décor items or start to decorate, however, this is not something we will be able to confirm until closer to your wedding date, so we advise you to plan for 10 a.m. access for decorating.

**What happens in bad weather?**

If you have an outdoor ceremony planned our backup bad weather option is our Marquee tent, you still get an outdoor ceremony with Mountain views, but you're protected from the rain.

**Do I have to pay for all the accommodations and/or deal with collecting the money?**

No. The accommodations can be charged to your account or billed to the guests themselves, you don't need to worry about handling any payments for accommodations.

**Can we bring our own liquor?**

Our Liquor Licensing allows for only the Lodge to provide alcohol consumed on-site. We have two fully stocked bars and the bartenders are included in the wedding package price. Should you prefer a certain craft beer or liquor we don't typically serve, we are happy to do our best to order this through BC Liquor Stores.

**Can you accommodate allergies/special diets?**

Yes, this is something you would let us know in your details meeting so we can work with our chef to customize your menu if needed.

**When are the final numbers due? How far out do we have to make decisions?**

Your final numbers are due 3 weeks before your wedding date. We will schedule a Details Meeting with our head Coordinator around 3 months out from your wedding date. In this meeting, you will iron out all of the important decisions such as Menu Choices, floorplan, timeline of the day, bar set up & let us know the details of all of your vendors such as Photographer, Florist, DJ etc.
