Not sure what to do about crops that take a long time to grow? Try Galema's Greenhouse...

PREFINISHED Program

Here's the PLAYBOOK!

We begin the process with fern liners in June and grow them all summer to become our prefinished ferns!

You can pot them up in the fall or we'll pot them for you and you can purchase a prefinished basket in February for May sales.

2nd Base...

PROGRAM INFORMATION

Except where noted, our Prefinished Program is designed to produce a finished crop in the size container in which the plant is delivered to be ready for late April to mid-May finished sales....not for bump ups into larger pots or combo pots. Actual crop time will vary based on the type of plant and the size container. Plants in the prefinished program are grown alongside our own finished crops. If more detailed crop time is needed, please contact us.

Product ships via pooled grower truck weeks 7-13 to locations within a 120 mile radius of West Lafayette, Indiana.
