Welcome to the 2024 CrossReach Christmas Card and Calendar Collection.

A Christmas card is the perfect way to stay in touch, possibly with people you haven't seen face to face for a while. It's a lovely way to let them know you are thinking of them, and to remind us of the baby born in the manger, who gives us hope.

For many people, life is difficult. Faced with various physical, emotional, and social challenges, we aren't always equipped to cope on our own.

Unwavering support from people like you allows CrossReach to provide support through our life changing and lifesaving services, so that every person can flourish, and every life can be lived to the full.

We achieve great things with limited resources but with your support CrossReach can do more. By reaching out to loved ones with a CrossReach card you are also supporting those who use our services on their journey.

From all at CrossReach, thank you for your continuing support. You really do make a difference!

Our cards are printed using environmentally friendly vegetable inks and all coatings on our cards are water based. Polypropylene bags are recyclable and have green identifier flashes on them so councils can easily see to sort. Foil embossed cards can be recycled – the foil layer is so thin it dissipates during the normal recycling process. Money Wallets are sealed with a sticker which replaces the cellophane bag. The Christmas wrapping paper is in an envelope sleeve & not cello-wrapped.

We also have a selection of cards, gift wrap, notelets and thank you cards available online
