Chairman's New Year Message

Dear Valued Members,

Welcome to the first edition of Lookout in 2023.

2022 was another record-breaking year for TAPA APAC with over 650 member companies and more than 850 certified sites. With this astonishing level of growth, we are confident to double our memberships this year.

As we begin the year with a new strategic vision and direction towards resilience and sustainability, our goal is to ensure that our members' supply chains remain the most resilient in the industry amid new opportunities and diverse challenges. Let's work together to help every member in the TAPA APAC Family to increase their awareness of TAPA Standards and build resilience against disruptions and risks.

We have started on our transformation efforts to **Engage, Evolve & Elevate** our membership services and activities.

Engage - Increasing Membership Value

This year, we focus on creating an immense value for members across all fronts – from membership services and training support to member events and conferences. We will be addressing areas of pressing concern for members and provide a platform for members to exchange expert knowledge and develop solutions. We are setting up working committees and member roundtable talks to explore specific topics and industries such as Pharmaceutical, Tobacco and Cyber Security.

Evolve - New Standards and Systems

We are developing new Standards in the areas of scrap management and brand protection, new advanced training courses and tools to help members align their security needs. Members can also look forward to a new Security Management Systems (SeMS) that integrates TAPA Standards to align their security systems, processes and procedures.

Elevate - Greater Support Level

As the leading association for supply chain solutions, our priorities are set to elevate the support level and network for members by forming new strategic partnerships with industry stakeholders like Governments, International Trade Agencies, and Law Enforcement Agencies (LEAs).

In this edition, we present to you our 2023-2025 TAPA APAC Board of Directors and team members including TAPA China.

TAPA APAC CNY Dinner

We welcome you to join us at our first-ever member event this lunar New Year on 3rd February in Singapore. I look forward to more interactions this year and see you all soon!

With best regards,

Tony Lugg

Chairman, TAPA APAC

Board of Directors 2023-2025

Strategic Vision for 2023: The Leading Association for Global Supply Chain Resilience and Sustainability

TAPA APAC is pleased to announce the newly elected 2023 - 2025 Board of Directors and the expansion of supporting teams including the TAPA China team. The newly elected Board began its three-year term of voluntary service on January 1, 2023.

The TAPA APAC Board of Directors will be a major factor in shaping its path in the next three years as we review the new Standards. Board members bring a wealth of knowledge and perspectives from different regions, making TAPA APAC more diverse and inclusive. We are excited to have their leadership and expertise as part of the team and look forward to the positive impact they will bring in the years to come.
