As part of Kappa Senses Ubud's 3rd Anniversary celebration, our Anak Kappa family came together with PKK Banjar Tanggayuda and STT Banjar Tanggayuda for a meaningful Cleaning Blitz — a joint effort to preserve the beauty of our environment and culture through our CSR program, Greener Tanggayuda.

Held on Saturday, 20 September 2025, the activity took place around Wantilan Pura Dalem, Desa Adat Tanggayuda, covering areas from Tanggayuda Village to Subak Kembang Kuning, Melinggih Kelod.

This initiative was not just about cleaning — it was about connection. Together, we nurtured a spirit of care, collaboration, and gratitude, while also preparing the route for our upcoming Run with Purpose event. The perfect weather, scenic surroundings, and vibrant community spirit made the day truly special.

Through this small yet meaningful act, we continue to honor Tanggayuda Village, the place we proudly call home, and reaffirm our commitment to sustainability, community empowerment, and cultural preservation. Greener Tanggayuda. Cleaner Tomorrow. Stronger Together.
