# CERTIFICATIONS

I became certified at the highest levels from some of the world's most renowned experts in the field, including best-selling Leadership author John C. Maxwell and famous Neuropsychologist Dr. Joseph McClendon III. Since then, I have made it my mission to help organizations and individuals overcome their technology challenges, as well as their leadership and management challenges, using proven tools and approaches to achieve both.

## FUN FACTS

When I'm not troubleshooting tech or training leaders, you can find me focusing on my fitness, investing in my faith, or watching superhero movies with my three sons.

Speaking of family, I've been happily married to my wife Sonya for 25 years, and together we enjoy raising our family in Ohio.
