CAMP PHILOSOPHY

Camp Henry's mission is to provide life changing experiences for all in a Christian environment. We believe that a Camp Henry experience should be available to all and that we are called to be respectful of every camper and guest, including individuals of varying abilities, genders, cultures, religions, races, regions, and socioeconomic status.

Camp Henry welcomes campers of all faiths as well as no faith at all. We don't require, assume, or expect that all campers are Christians or come from Christian families. Our hope is to simply be Christian toward everyone who comes to camp.

We have had the privilege of serving campers, families, and guests at Camp Henry since 1937. We believe that a camping experience at Camp Henry has the capacity to transform lives in many ways. With such a concentrated amount of time, a beautiful natural environment, intentional camp programs and activities, opportunities to try something new, and campers being surrounded by positive Christian role models – the combination is perfect for enhancing and positively changing the lives of campers and guests who come to Camp Henry.

If you choose to place an order to be sent with your camper, please specify your camper's name, and when you would like it delivered. If you make one order for multiple campers, please leave order comments specifying the item(s) intended for each camper.

BIRTHDAYS

Many campers celebrate their birthday while they are at Camp Henry! On the camper's birthday, they are recognized and sung to with Day Campers at lunch.

DISCIPLINE

Camp rules are designed to enhance the happiness and safety of all campers. A leadership staff member will contact parents to let them know if there is a significant or on-going behavioral problem. Children who do not demonstrate appropriate behavior, in the judgment of the Directors, will be sent home from camp. Early dismissal from camp will not warrant the refund of fees.

CAMP HENRY SAFETY AND COMMUNICATION STANDARDS

Camp Henry Staff and Campers are encouraged to stay in touch beyond summer camp via Camp Henry Events and Camp's social media channels. For the safety of campers, guests, and staff, Camp Henry staff members and campers should never be alone together in an unobserved context during camp or away from camp (in person or online).

Following a camp experience, Camp Henry staff are not allowed to "friend" or "follow" campers on any social media platform. Any contact between campers and Camp Henry staff members outside of camp must be approved by the camper's parents/guardians.

Refund/Cancellation Policy

Cancellations made after May 1st, our final payment deadline, will incur a 50% administrative fee unless we are able to fill your camper's spot. If we are able to fill your campers spot in camp, we will ask for a \$100 administrative fee. Cancellations within 48 hours of the start date are not eligible for a refund.

CAMPHENRY Packing Information

WHAT TO BRING

- A sack lunch. Snacks will be provided throughout the day, but please pack a lunch. For the safety of campers with severe allergens, please do not pack items with nut products.
- Please Review the following page for a check-list packing list!
- All items that are brought to camp should be labeled with the camper's first and last name. Counselors will do their best to help your camper keep up with their belongings, however, we cannot be responsible for lost items. Please consider this when making decisions of what to pack for camp.
- It is our hope and expectation that all campers will spend some time either near or on a horse. Horses, while wonderful and beautiful creatures, are big, heavy, and sometimes unpredictable. We have multiple staff with campers whenever they are near the horses, and campers receive an orientation covering how to safely be around the horses. Yet, to help protect feet and toes, all campers must bring sturdy, closed-toe shoes and long pants. Boots or tennis shoes are fine for being around horses, yet Crocs, Toms, sandals, etc. –even though they might cover the toes– don't provide adequate protection

WHAT NOT TO BRING

If any of the items below are found, they will be held in the office and returned to parent/guardian each day. If not picked up by the end of the week, the items will be shipped back to the camper at the expense of the camper's family. Please examine your camper's selection of clothing, looking for items which might carry offensive slogans or symbols. In a large camp community, these items can result in conflicts between campers. Our goal is to create a community where all people feel welcome and accepted. Campers wearing clothing that is inappropriate will be asked to change.

Cell Phones	Knives – Firearms *
iPods – iPads – etc.	Tobacco Products *
Electronic Games	Alcohol *
Fireworks	(E)Cigarettes/Vaporizers*
Valuable Jewelry	Illegal Substances*

Laptop Computers	

* Campers with these items will be dismissed from camp.

** Please remember, Camp Henry is not responsible for any lost, stolen, or damaged items. **

A BIT MORE ABOUT CELL PHONES & TECHNOLOGY

We know that many campers and parents want to try to stay connected during camp, and that many folks are accustomed to utilizing cell phones or other devices to keep in touch. Yet, cell phones prove to be VERY problematic and disruptive at camp. In addition, we hope to give all campers a break from distractions and the opportunity to "Unplug & Connect".

We want to encourage all campers to grow in their independence and remain immersed in the camp experience while at Camp Henry.

HEALTH FORM

We are required to have a Health Form for each camper. Guardians can complete the online Health Form by logging in to their [account](#).

HEALTH CENTER

Campers who are not feeling well have the opportunity to visit the Health Center. Our Health Directors meet all State of Michigan and American Camp Association guidelines and are on site 24 hours a day. A doctor is always on call.

Calls are placed to parents when:

- 1) a camper has a health-related concern and requests a call home.
- 2) a camper has a temperature of 100 degrees or higher.
- 3) a camper spends more than four hours in the health center.
- 4) a camper goes to the hospital.

Counselors check in with campers daily and remind them of the importance of drinking water and utilizing sunscreen and bug spray, and are available to help campers with any health-related concerns that might arise.

HEALTH ASSESSMENTS

As an ACA Accredited Camp, we are required to screen all campers for good health prior to admission. We request that no campers come to camp ill or with any contagious condition. Campers need to be fever free for 24 hours without taking fever-reducing medicine before coming to camp. In addition, if a camper has lice or has had lice within the last seven days, the camper may be allowed to attend camp with proof of certification from a licensed lice treatment facility approved by Camp Henry. Campers who are sick and potentially contagious will need to leave camp in order to help us ensure the health and safety of our camp community. If you have any questions regarding the health of your child prior to camp, please feel free to contact the Health Director starting June 7th at 616.717.5567 or email campnurse@camphenry.org.

MEDICATIONS

Parents must check in all medications, both prescription and over the counter, including vitamins and supplements, (i.e. eye drops, allergy medications, hydrocortisone, etc).

All medications must be in their ORIGINAL CONTAINER noting RX number, camper name, physician name, and dosage. We cannot accept medication if it's not in the original container. We recommend that you only bring the amount needed for the duration of camp plus one extra dose. If your camper will be bringing medication to camp you will need to [complete a medication sheet](#) and bring it with you to camp.

The Camp Health Center stocks a variety of over-the-counter medications (OTC), however, if your child requires a specific OTC medication or vitamin on a daily basis, you must provide the medication in the original container and must note on the health form that this medication is necessary daily. All unclaimed medications will be thrown away. We are NOT able to mail home any medications.

All prescription medications purchased and/or hospital care provided during camp are billed to parents at the close of the camp session. If you have any questions, please don't hesitate to email campnurse@camphenry.org.

BEHAVIORAL MEDICATIONS

We want your camper to be successful at camp. While we think of camp as being a relaxing and fun time, it's important to remember that campers are learning new skills, having lots of new social interactions, and need to concentrate on instructions from counselors, not only in the cabin, but during activities as well. In keeping with The American Academy of Pediatrics and The American Camp Association (ACA) joint policy statement; we are requiring all campers who normally take psychotropic medicines and are in long-term psychotropic therapy to not have elective interruption of their medicines while at camp (aka a "Med Holiday").

MEALS

Please bring a sack lunch for your camper. Snacks will be provided throughout the day, but please pack a lunch. For the safety of campers with severe allergens, please do that pack items with nut products.
