Laudables is a charitable event that honours people and businesses from our community who have dedicated their time to charitable causes.

Laudables was first held in 2000 as a fundraising and friend-raising event, in support of the PHSS Foundation. It serves the dual purposes of engaging audiences who may not be connected to PHSS and raising funds in support of the organizations highest priority needs.

Laudables is coming to Ottawa!

Building on more than two decades of honouring community leadership and generosity, the Ottawa Laudables event will continue the tradition of connection, recognition, and impact. For Ottawa Laudables sponsorship opportunities, please contact Linda Antony at LindaA@phsscommunity.com.

The Impact of your Sponsorship

PHSS Foundation is a non-profit charitable foundation established to provide ongoing, donor-directed, financial support to PHSS Support Services and organizations that provide supports to people with disabilities.

While PHSS receives provincial funding, this support falls short of meeting all the needs of the people supported. It does not cover the costs of meaningful activities that enrich their lives or address the full scope of care and support required.

Who is PHSS

PHSS Support Services provides unique and flexible care and support to people with developmental, medical, and/or complex physical needs so that they can live the life they choose as part of their community.

PHSS supports more than 435 individuals in more than 80 locations across Ontario, providing 24-hour residential supports, day and overnight respite, specialized complex medical care, intensive behavioural supports, recreational activities, and support for individuals living at home with their families.

PHSS's person-centred approach to care and support is at the heart of everything they do. PHSS understands the importance of placing the individual and their family at the forefront of their care and support journey, tailoring services to meet the unique needs and aspirations of each person supported.
