CHARLOTTE HØNCKE

DESIGNER

Designing furniture for children is a passion of mine. It allows me to be playful with colours and forms.

With FLEXA DOTS I wanted to create a safe, warm and playful atmosphere in the nursery, using funky colours combined with the warmth of the ash and comfort.

LET'S PLAY

My best friend Filip and I love to play. Some days we experiment with new dishes in the kitchen and if we run out of groceries we run to the shop to buy more. Other days we are handymen and build stuff in Filip's workshop. We have so much fun.
