Another tournament to test your skills and strategy in Voxie Tactics, this time exclusive to the Extreme Arena! The fourth tournament event of 2025 ran for 14 days from **July 8th, 11AM ET to July 22nd, 2PM ET**, featuring a massive **100,000 VOXEL** prize pool in addition to the regular VOXEL earnings from wins or bounties. Voxie Battle Bytes — July 2025

Check out the Voxie Battle Bytes for July 2025 by Voxies Player Ambassador **Zueljin Gaming**!

We're taking a deep dive into **BOOMBOX**, the battlefield DJ of destruction and one of the most unique Titans in the game! This bard-bot hybrid isn't here to swing a sword—he's here to control the tempo, shut down enemies, and buff his squad.

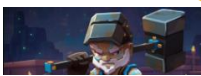

We're spotlighting **Joan**, the sharp-shooting Ranger who'd rather track footprints in the forest than socialize at the tavern. Joan is a long-range menace with precision to spare and utility that can shut down even the most annoying Titans in the Arena. From Arrow Volley to Voicebreaker, she's got a bag of tricks that'll keep your enemies guessing—and limping.

We're jumping back into the Titan Arena and spotlighting **Erik Shadowsword**, the fearsome tyrant who trades trust for brute strength. In this episode of Battle Bytes, Zueljin breaks down how Erik dominates the battlefield with overwhelming force, terrifying utility, and a throne carved from pure intimidation.

RONDO

Rondo once climbed the Great Stump with nothing but grit, an axe, and a voice loud enough to scare off the most vicious of beasts.

The fall of Stumpton weighs heavy on his heart, but he's not done yet. He'll rebuild, protect his village till his last breath and crack jokes while doing it.

SHROUD

Little is known about Shroud's life before he became undead.

Whispers say Shroud was once a great warrior. Now undead and bound to a necromancer's will, he seeks the forbidden land of Ashdaris and the destruction of Zero.
